3. QUALIFYING PROCEDURES:

1. **QUALIFYING PERIOD:** The qualifying period shall begin July 1, 2011 and will end June 25, 2012
2. **QUALIFYING COMPETITIONS:** A series of competitions throughout the U.S. have been designated at USEF/NAJYRC Qualifying Competitions. A list of these designated USEF/NAJYRC Qualifying Competitions is available on the USDF website, USEF website or by contacting the USEF Dressage Department. *Please note:* for these qualification purposes, competition(s) held over the course of more than one day counts as a **single** qualifying competition (even if each day has a separate license number). Qualifying scores for the FEI North American Young Rider Championships may only be earned at designated USEF/NAJYRC Qualifying Competitions and/or CDI/Y competitions. Each horse/athlete combination must earn scores in at least **three (3) different designated USEF/NAJYRC Qualifying Competitions and/or CDI/Ys**, one of which must occur during the spring season (January 1, 2012 through June 25, 2012).
3. **CDI/Y COMPETITIONS:** Athletes may earn qualifying scores at any CDI/Y, held within the United States or any other country that offers the FEI Young Rider Tests. CDI/Y scores are calculable at the option of the athlete and will only be computed into the horse/riders' overall average upon receipt of a CDI/Y Report form within the specified deadline. All athletes competing in CDI/Y competitions and/or the NAYRC will be required to pay International High Performance (IHP) fees per USEF GR207 at the time of entry. Scores earned at the USEF National Championships for Young Riders can be used as optional qualifying scores and are reportable under the same rules as a CDI/Y.
4. **TESTS:** The FEI Young Rider Team Test (current edition), FEI Young Rider Individual Test (current edition) and FEI Young Rider Freestyle Test (current edition) must be used for qualification. These tests must be held as individual classes which are specifically designated as NAJYRC Qualifying. "Test of Choice" (TOC) classes will not count. A horse/athlete combination must complete **both** the Team and Individual Tests at a designated USEF/NAJYRC Qualifying Competition or CDI/Y. For calculation purposes, each test will be counted towards 50% of a horse/athlete combination's overall average. **BOTH** tests must be completed or the horse/athlete combination will receive a zero (0.000%) for the Qualifying

Competition. Each horse/athlete combination must ride a minimum of three (3) FEI Young Rider Team Tests in combination with three (3) FEI Young Rider Individual Tests at designated USEF/NAJYRC Qualifying Competitions and/or CDI/Y.

- 5. FREESTYLE REQUIREMENT:** Each horse/athlete combination must ride a minimum of one (1) FEI Young Rider Freestyle at a designated USEF/NAJYRC Qualifying Competition or CDI/Y and earn a minimum score of 62%; however, this score will not be computed into the overall average. An athlete may elect to ride only the FEI Young Rider Freestyle at a designated USEF/NAJYRC Qualifying Competition. The FEI Young Rider Freestyle does not have to be ridden at each qualifying event.
- 6. SCHOOLING AND WARMUP:** For NAYRC qualifying classes that are included in USEF licensed competitions or in a FEI recognized CDI/Y: under penalty of disqualification for NAYRC qualifying purposes, at no time during a competition offering FEI Young Rider Qualifying Classes, at a designated USEF/NAJYRC Qualifying Competition, may any horse entered in a FEI Young Rider Qualifying class be ridden by anyone other than the athlete entered in the FEI Young Rider class on that horse. Exception: grooms riding on a loose rein. For purposes of this rule, the competition starts when horse and/or athlete arrive on the show grounds.

For NAYRC qualifying classes that are included in a CDI/Y; per FEI Art. 422.17, on no account, and under penalty of disqualification, may any horse take part in a CDI/CDIO which has been schooled by anyone other than the athlete mounted in the saddle 24 hours before the planned Veterinary Inspection as well as for the duration of the whole event. Upon arrival of the showground, only the athlete when riding, walking, leading or lungeing a horse (lunge whip allowed), is allowed to carry a whip (maximum 120 cm) anywhere on the showground. The groom may also walk, lead, and lunge a horse as above. Other parties are allowed to carry a whip, provided it is not in connection with the training of the horse. Under no circumstances is it allowed to school the horse in the stables. Horses may not leave the stables, the competition area, or the areas supervised by Stewards for any purpose unless authorized by a recognized FEI Official of the event or a Veterinarian acting in the interest of the health and welfare of the horse.
- 7. VETERINARY/MEDICAL WITHDRAWAL:** Exceptions to #4 (above) requiring completion of both tests will only be made for Young Riders who submit an Official USEF/USDF Veterinary/Medical Withdrawal Certificate completed and signed by the official show veterinarian or from a physician stating the reason the horse and/or athlete was unable to complete the competition. Documentation must be received by the USEF Dressage Department within forty-eight (48) hours of the end of the competition. It is the sole responsibility of the athlete to submit this documentation to the USEF Dressage Department within the time allowed. In such cases, the score for the single completed ride will not be factored into the horse/ride combinations' overall average. Failing to submit such documentation will result in an overall score of zero (0.000%) for that entire competition for NAYRC qualifying purposes.
- 8. NUMBER OF SCORES:** At least three (3) sets of qualifying scores must be earned (3— Team Test, 3—Individual Test=3 overall averages) and one (1) qualifying score in the FEI Young Rider Freestyle, which meet all qualification requirements outlined herein.
- 9. DROP SHOW:** If a horse/athlete combination competes in more than three (3) designated USEF/NAJYRC Qualifying Competitions and/or CDI/Ys, the scores from the one (1) competition that has the lowest average will be dropped. Only one (1) score will be dropped.

(CDI/Y scores will only be computed upon receipt of the CDI/Y Report Form within the specific deadline.)

- 10. JUDGES:** Qualifying tests must be **judged by a panel of at least two (2) FEI or USEF “S” officials.** *Please note: Judges with students who have submitted Declarations of Intent in a region are ineligible to judge any FEI Young Rider classes at designated USEF/NAJYRC Qualifying Competitions or CDI/Y competitions within that Region.*

- 11. SCORE CALCULATION:** USDF will automatically track scores for horse/athlete combinations which are earned at designated USEF/NAJYRC Qualifying Competitions. CDI/Y scores will only be computed upon receipt of the CDI/Y Report Form within the specified deadline. Scores from CDI/Ys are calculable at the option of the athlete. The scores will NOT be automatically calculated into the horse/athlete’s overall average without receipt of a CDI/Y Report Form within the specified deadline. Percentages are carried out to the third decimal point with numbers of five and above rounded up (63.4555%=63.456%). It is the responsibility of the athlete to verify the accuracy of the standings posted on the USDF website. USDF is not responsible for inaccurately reported or illegible scores. If any errors are detected, athletes are encouraged to contact the USDF office immediately at (859) 971-2277 or najyrc@usdf.org . Errors must be reported no less than five business days prior to the NAJYRC nominated entry deadline.

- 12. MINIMUM AVERAGE:** Horse/athlete combinations must achieve a minimum overall average score of 62.000% or higher to be eligible for team selection. Individual competition scores may be less than 62.000% as long as the final average is 62.000% or higher.

- 13. DRESS & SADDLERY:** Please refer to USEF Rules for dress and saddlery requirements (DR 120-121) if competing in a USEF/NAJYRC Qualifying Competition or FEI Dressage Regulations if competing in CDI/Y competitions and/or the NAJYRC. Double Bridle is compulsory. Athletes must adhere to prevailing USEF Rules regarding whips while competing in designated USEF/NAJYRC Qualifying Competitions; however, when riding in a CDI/Y, FEI whip rules supersede USEF rules.

- 14. RULE VIOLATIONS:** Alleged violations of the USEF rules must be brought to the attention of the officials at the event. The USEF Bylaws and Grievance Procedures can be found on the USEF website www.usef.org. For protests at CDI/Y events, please refer to FEI General Regulations.

- 15. QUALIFYING ABROAD:** U.S. athletes residing abroad may request permission to qualify for NAYRC. U.S. horse/athlete combinations eligible to compete abroad must first satisfy the requirements of USEF (NGB) for foreign competition. Athletes then must request in writing, prior to the first competition they enter, permission from USDF, attn. Erica Minks, to use foreign competitions to satisfy the qualifying requirements. This request must include a list of competitions that the athlete plans to enter and the judges that will be officiating the FEI Young Rider Tests. Only competitions held within the regular qualifying season (July 1, 2011 through June 25, 2012) will be considered.
All requests from athletes wishing to qualify abroad will be forwarded to the USEF Credentials Committee for approval. Athletes are encouraged to submit their requests well in advance of the closing date of the first competition. Scoring of the USEF approved foreign competitions and of designated USEF/NAJYRC Qualifying Competitions and CDI/Ys will be

considered equal for purposes of ranking horse/athlete combinations. An athlete who has been granted permission to qualify abroad must meet all selection procedure requirements. Athletes must also send a CDI/Y Report Form along with copies of their FEI Young Rider Test score sheets to the USDF office within the specified deadline for the scores to be eligible. Any intentional misrepresentation of scores will eliminate the horse/athlete from both the qualifying process and consideration for Team or Individual participation in the NAYRC.

16. DIRECT QUALIFICATION: The horse/athlete combinations earning the top three scores at the USEF National Junior & Young Rider Dressage Championships will receive an automatic invitation to compete on their respective regional team at the FEI North American Young Rider Dressage Championship as long as the following requirements are met. - a. Each horse/athlete combination must have completed a NAYRC Declaration of Intent by the specified deadline.
