Re: Selection Procedure & Application for 2024 Olympic Games Show Jumping Team

The Selection Procedure for the 2024 Olympic Games Show Jumping Team is now available on the [US Equestrian Jumping page](#). The application, required documents and payment must be submitted electronically. Please read this memo, the Selection Procedure and Application carefully and do not hesitate to contact us if you have any questions.

Athletes wishing to be considered for the 2024 Olympic Games Show Jumping Team must complete the following two items:

- Step 1: USEF Olympic Games Online Application
- Step 2: USOPC Online Registration

Step 1: USEF Olympic Games Application:

The USEF Olympic Games Application is available through your online [Member Dashboard on your MY USEF](#). Be sure to have your USEF Membership ID and Password available. Once you sign in, click on [Athlete Dashboard](#), then [Online Applications](#), then [Jumping 2024](#), then select [2024 Olympic Games Jumping Application](#).

Deadlines & Fees: Please note the Application paragraph in the Selection Procedures (1.1.4.2), and be aware that the all deadlines and fees will be adhered to **without exception**.

- The USEF Application Deadline is Monday **February 26, 2024** at 11:59pm ET Fee: \$70
- The Late Applications Deadline is Monday **March 4, 2024** at 11:59pm ET. Fee: \$300
 - **No Applications will be accepted after March 4, 2024 at 11:59pm ET**

Horses: All horses must be registered with the FEI with US ownership by January 15, 2024. It is possible for an athlete to request to be considered with an additional horse(s) after the athlete has submitted their application. Athletes wishing to be considered with additional horse(s) must indicate this request in writing to Lizzy Chesson (lchesson@usef.org) by April 5, 2024.

Confirmation: Upon receipt of your online application and fee, you and your horse owner(s) will receive an email confirming the date your application and payment was received. If you do not receive an acknowledgement of your application, **it is your obligation** to contact the USEF to determine if it has been received.

Step 2: USOPC Online Registration:

After you have completed your USEF Olympic Games Application, you will receive instructions from us for the USOPC Registration process.

Important notes to consider now:

- All individuals who have the potential to travel to Paris as an accredited individual, including athletes, horse owners, and grooms, **must complete USOPC Online Registration by March 10, 2024**.
 - It is important to consider all possible options for grooms, horse owners and any other individual who may want to accredit for the Olympic Games and have them complete the USOPC Registration by the deadline. Those who do not complete USOPC Registration prior to the deadline will not be accredited.
 - A valid U.S. Passport that does not expire until after February 11, 2025 is required in order to complete USOPC registration.
 - Please note that the USOPC Online Registration requires each person to have a unique email address. In other words no two people may use the same email address.
 - Accreditation is extremely limited for the Olympic Games. Please start to prepare your team for these limitations. For each athlete, the following accreditation will be available:
 - Athlete – 1
 - Groom – 1
 - Horse Owners – 2
- » At least one of the accredited horse owners must be listed as the horse owner in the horse's FEI passport.
- » A personal trainer would need to be accredited as a horse owner.

Athlete Drug Testing:

Please remember athletes must adhere to all PASO, WADA, FEI, USOPC, and USADA anti-doping protocols, policies and procedures, and may be drug tested. Please contact Steven Morrissey with any questions at (859) 225-2052, smorrissey@usef.org.
