Rule Change Intent

New "training" items have recently come on the market that are used by riders to effect rider position, contact with bridle and leg position. These may not be safe and are not permitted.

Committee Actions

DR120 Dress. Add new:

7. Back braces, wrist braces and similar protective wraps that are designed to be worn for therapeutic or protective purposes while riding or unmounted may be worn underneath or outside clothing in competition or schooling. Body bands, straps, positional devices, and other devices designed to aid rider position are not permitted in competition or schooling.
