Rule Clarification	12/1/2024	9/25/2024	

Rule Change Intent

Technically, "division" means rules pertaining to a specific breed or discipline like Morgan, Jumper, Hunter, Dressage, etc. per GR 114.1.e. Section would mean group of rules within a specific breed or discipline that pertain to a type of class per GR 114.1.f (i.e. Junior Jumper section vs. Pony Jumper section all within the Jumper Division). The following clarify language according to the definitions in GR 114.

JP104 Level Designations for Jumper Divisions

[Removes the "s" so that Division is not plural in both the table of contents and the rule itself]

JP119 Sections/Classes Restricted to Ponies

1. Pony Jumper: ..

...

b. Style Award. A Rider Style Award is recommended at any competition offering three or more classes. The Style Award is to be decided by the Pony Jumper Judge(s) based on the following criteria: To be presented to the Pony Jumper Rider who exhibits the best classical jumper style of riding throughout the Pony Jumper classes. This award will not necessarily be given to the rider accumulating the most points in the Pony Jumper **section division**.

JP132 Speed, Time Allowed, Time Limit, and Optimum Time

2. Speed. The Time Allowed is based on a minimum speed of 350 meters per minute (382 yards per minute). If a speed other than 350 m/m (382 yards per minute) is to be used, it must be printed in the prize list. Where the arena size is 5,000 square meters or more (approximately 55m x 90m [180ft x 300ft]) the maximum speed to be used for any **section division** shall be 375 meters/min. In arenas of less than 5,000 square meters the maximum speed to be used shall be 350 meters/minimum.
