Dear Whitney:

Thank you for submitting your request for a Presidential Modification to the application of HJ123.6. A Presidential Modification is granted in cases of extraordinary, special circumstances. When measured against that criterion, it has been determined that your request meets the standard for a Presidential Modification and therefore is approved.

As a result, the rule will be modified as listed below effective immediately for the 2025 competition year through the 2026 competition year as the proposed rule change is drafted and approved by the USEF Board of Directors. As a condition of this approval, you must regularly inform all organizers, potential competitors, and licensed officials about this change.
