

The 2024 Jacqueline B. Mars National Competition and Training Grant Fall Applications are now available through your [Athlete Dashboard](#) within your USEF account. Applications are open for the National Grants and the deadline is **August 1st at 5:00 PM EST.**

The Jacqueline B. Mars Competition and Training Grants are awarded annually by the USET Foundation. The aim of the Jacqueline B. Mars Grant is to support the Eventing Pathway Programs goal of sustainable success on the world stage. Specifically, these grants are designed to assist athlete/horse combinations to achieve Pre-Elite or Elite Program criteria. The grants will support athlete/horse combinations already competing at the 4* level with the perceived potential to achieve Pre-Elite or Elite status within the next 12 months (Pre-Elite and Elite Program criteria can be found [HERE](#)).

The goal of the grant is to provide training and competition resources for athletes who have never competed on an Eventing Olympics or FEI World Championships Team and have earned, via results and potential, the opportunity to travel to another part of the country with the National grant.
