Sharps Container Statement

GR 1210.4

Competition management must place a minimum of one (1) sharps container per competition, regardless of whether stabling is provided. a. If stabling is provided, for every fifty (50) occupied stalls, one (1) sharps container must be provided for the disposal of needles and other disposable sharp instruments. These containers must be placed in visible, accessible, and convenient locations in barns housing competition horses. b. Sharps Containers: A sharps container is made of puncture-resistant plastic with leak-resistant sides and bottom. It has a tight fitting, puncture resistant lid, which does not allow sharps to come out of the container. Sharps containers must be properly labeled to warn of hazardous waste inside the container. Sharps containers must not be altered in any way from its manufactured form, such as removal of security measures or drilling of the plastic. Sharps containers must be protected from the elements as to not collect rainwater c. It is competition management's responsibility to dispose of contents of sharps containers when the container is three-quarters (3/4) full, in accordance with community guidelines for proper disposal methods. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100.00 for improper disposal of needles or other sharp disposable instruments. d. If local law has more stringent requirements than the above, related to sharps containers or disposal, local law will prevail. Competitions that fail to place the required number of containers on the competition grounds or dispose of the contents properly will be considered in violation of the rules and may be subject to penalty as determined by the CEO or their designee and/or the Hearing Committee.

GR 1301.7 - 8

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement, to be eligible to participate in the competition.
