

## Application for the 2025 USEF Dressage Training Series

Wellington, FL

USEF invites dressage athletes between the ages 12 and 21 to apply for the East Coast segment of the USEF Dressage Training Series. This clinic will take place at the Adequan® Global Dressage Festival in Wellington, FL on January 2-5, 2025.

The clinic is an educational opportunity for youth athletes competing in the FEI levels or currently schooling at the FEI levels (Children, Pony Rider, Junior, and Young Rider). Throughout the week, participants will receive expert instruction on a variety of horsemanship topics in addition to intensive training sessions taught by top U.S. coaches.

Athletes wishing to be considered for this clinic must submit an online application along with one letter of recommendation as well as a video by the deadline noted below. A maximum of 15 combinations may be invited to participate in this clinic.

Applicants will be evaluated for clinic acceptance by the USEF Dressage Coaching staff and base their evaluations on the following criteria:

- Videos submitted. The video must show the athlete riding a complete dressage test at the level they are currently schooling or competing in.
- Information learned about the athlete in their personal essay and from the letter of recommendation.

*It is important to note there is no guarantee that a combination will receive membership to the USEF/USDF Emerging Athlete Dressage Program by participating in the clinic.*
