Re: Qualifying Dates and Competitions for 2024 FEI North American Youth Championships, JR/YR

Dear Potential 2024 FEI North American Youth Championships Applicants:

This preliminary information is being provided to assist you with your competition planning. Please remember that this information is based on the recommendations of the United States Equestrian Federation (USEF) Dressage Sport Committee and is subject to approval by the USEF Board of Directors and therefore subject to change. Any determined updates and documentation submission will be outlined in the NAYC Selection Procedures.

SELECTION PROCESS SUMMARY: Athlete/horse combinations must compete in qualifying competitions and earn scores in the Team and Individual tests (see more detail below). Ranking lists will be maintained and selection is based on the final rankings of each Region (see more detail below). The 2024 FEI North American Youth Championships is scheduled to take place on July 30th – August 4th, 2024, in Traverse City, Michigan.

1. Qualifying Period

The proposed qualifying period for the 2024 FEI North American Youth Championships will begin on July 25, 2023. It is anticipated that the qualifying period will finish at least seven days prior to the Nominated Entry date.

2. Qualifying Competitions

It is anticipated that athlete/horse combinations will be required to complete at least two Qualifying Competitions. Qualifying Competitions include:

- Competitions listed on the NAYC/USEF Qualifying Competitions Calendar (within the qualifying period): Scores earned at these competitions are automatically counted towards the Ranking List. NAYC/USEF Qualifying Competitions scheduled to take place beginning July 25, 2023 through December 31, 2023 can be found [HERE](#). The 2024 NAYC/USEF Qualifying Competitions Calendar will be available in the Fall of 2023 [HERE](#). Please make sure to check the Calendar(s) frequently for updates.
- CDI-J or CDI-Y Events (within the qualifying period): Scores earned at CDI-Y/J are calculable at the option of the athlete and will only be computed into the Ranking List upon receipt of a CDI & Championship Report Form within the specified deadline stated on the form (Form can be found at www.usdf.org). The 2023 and 2024 FEI Calendars can be found on the FEI website [HERE](#) (Please note that the FEI 2024 calendar is not approved until after the FEI General Assembly in November). Please make sure to check the Calendar(s) frequently for updates. Scores from the 2023 NAYC will not be counted.

- Regional Championships (within the qualifying period): It is anticipated for FEI Junior and FEI Young Riders to be able to earn qualifying scores in their FEI division USEF/USDF Regional Championship classes in the FEI Team Test. This is only applicable for those qualified to compete in the Regional Championship classes; qualifying information for Regional Championships can be found on the USDF website [HERE](#). In order for these scores to count, scores must be reported by athletes via the CDI & Championship Report Form by the deadlines as indicated on the form. In cases where the USDF Regional Championship is already a designated NAYC/USEF Qualifying Competition, scores earned in FEI Junior and FEI Young Rider Qualifying classes are automatically recorded. This means that an athlete may report their score from the Regional Championship Jr and/or YR Team Championship class(es) as an additional (second) team score.
 - USEF Young Rider or Junior Dressage National Championships (within the qualifying period): Scores earned at these National Championships are calculable at the option of the athlete and will only be computed into the Ranking List upon receipt of a CDI & Championship Report Form within the specified deadline stated on the form.
3. **Tests Required:** It is anticipated that athlete/horse combinations will be required to achieve **two** scores in the current editions of their respective FEI Junior Team Test/FEI Young Rider Team Test and **two** scores in the current editions of the FEI Junior Individual Test/FEI Young Rider Individual Tests. Athlete/horse combinations that achieve more than two scores in the relevant Team or Individual test, may drop the lowest score earned in the Team Test and the Individual Test, regardless of whether these scores were earned in the same Qualifying Competition. Regardless of the number of scores achieved, rider will only be permitted to drop the lowest Individual Test score and the lowest Team Test score. Athletes wishing to qualify for the Junior Championship must qualify with FEI Junior Tests and Athletes wishing to qualify for the Young Rider Championship must qualify with FEI Young Rider Tests.
4. **Certificate of Capability:** Each athlete/horse combination must earn a Certificate of Capability by attaining a minimum overall average of 64.000% or greater attributed by a panel of two (2) or more USEF 'S' or FEI Judges, in the FEI Team Test and FEI Individual Test at two (2) different qualifying competitions. **A minimum overall average of 64% or greater will be required in order to be named to the nominated and definite entries.** In addition to these tests, athlete/horse combinations will be required to earn **one** score of 65% or higher in the respective FEI Junior Freestyle test or FEI Young Rider Freestyle test. Scores achieved from Test of Choice classes cannot be counted towards the Certificate of Capability.
