Need to Know - 2019 USEF Rules

Effective 12/1/18

JP103 Schooling

7. The use of FEI Approved Safety Cups to support the back rails of all spread obstacles and all warm-up and schooling areas is mandatory.

JP117 Sections/Classes Restricted to Junior, Amateur/Owner, Amateur or Young Riders

- 7. Restrictions
- b. Any competitor that competes in a CSI5*, CSI4*, a CSI-W or CSIO is ineligible to compete in a Junior, Amateur Owner and/or Amateur Jumper class held below 1.40m at that same competition.

JP139 Falls

6. In the event of a fall of a horse within the competition ring at a Federation licensed Hunter, Jumper or Hunter/ Jumper competition, the judge shall notify a steward, regardless of whether an EMT is called, and the steward must include the details of the incident on his report to the Federation.

Need to Know - 2019 USEF Rules

Effective 12/1/18

JP116 Sections/Classes Restricted by Age of Horse

- 2. Boots:
- a. Hind Boots: Non-weighted non-performance enhancing (any boot that does anything but protect the horse's leg/ ankle will be considered performance enhancing) hind ankle boots are permitted for horses entered in classes restricted to Five, Six, or Seven year-olds while in age restricted competition or preparing for the age restricted class. No other hind boots are permitted for horses entered in age restricted classes during those times. All hind leg protections must have a maximum interior length of 16 cm; the width of the fastener must be at least five cm. The following criteria must be respected in relation to hind boots worn in classes restricted by age of horse:
- 1. The inside of the protection must be smooth, that is, the surface must be even and there may not be any pressure points on the inside of the boot; sheepskin linings are allowed.
- 2. Only non-elastic Velcro-type fasteners are permitted; no hooks, buckles, clips or other methods of attaching the fasteners may be used;
- 3. The rounded rigid part of the protection must be placed on the inside of the fetlock;
- 4. No additional elements may be added to or inserted in the boot itself, other than a protective flap, providing it is soft and clearly intended for protection only.

Effective 1/1/19

Article 208 - Obstacles

(ii) cannot exceed 1.45 m for CSI2* Events. In Competitions for which the Schedule indicates a height of 1.45 m, the height of obstacles in the Competition may, at the discretion of the Course Designer, exceed the height indicated in the Schedule by maximum 3 cm (see JRs 208.7).

Article 224 - Falls

3. In case of a fall of an Athlete and/or a Horse at any time in the Competition arena, in the practice arena or elsewhere within the grounds of the Event, the Athlete and/or the Horse must be cleared by the Event's medical service, respectively the Veterinary Delegate, before the Athlete and/or the Horse may be permitted to take part in the next round or Competition at the Event.

Effective 1/1/19

Annex VI - CSI/CSIO Requirements

for the CSIO. The CSIO horses may not take part in the CSI.

National – International

Multiple CSIs of the same star level may be held at the same venue on the same dates but must be completely separate CSIs with separate Competitions; each CSI must have different Athletes and Horses. For CSIs of different star levels held at the same venue on-during the same datesweek, each level is considered a separate CSI; combined Competitions at such CSIs are not permitted. Horses entered in one CSI star level may not enter another CSI star level at the same Event. Horses may not take part in national Competitions at the same Event only under the following conditions::

- If the national Event ends at the latest one hour prior to the start of the Horse Inspection of the international Event, Horses may take part in both;
- If the national Event ends later than one hour prior to the start of the Horse Inspection at the international Event, Horses may not take part in national Competitions and international Competitions;
- If the national Event includes Competitions on the day after the international Event ends, Horses having taken part in the international Event may take part in national Competitions on that day only, i.e. following the conclusion of the international Event.
 A CSI-1* or a CSI-2* may be held together with a CSIO. OCs organising such Events must have 2 arenas; one for the CSI and one

Effective 1/1/19

Annex VI - CSI/CSIO Requirements

Splitting Classes over 100

- ² Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must provide the following percentages of additional prize money for every ten declared starters, up to 120 declared starters:
 - 101 to 110 declared starters: the OC must provide 133% of the original Competition prize money, must be provided which is to be distributed among the 16 best placed athletes in the Competition according to the prize money distribution chart I or II. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.;
 - 111 to 120 declared starters: the OC must provide 166% of the original Competition prize money, must be provided to be distributed among the 20 best placed athletes in the Competition according to the prize money distribution chart I or II. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

If more than 120 starters are declared, the OC must split the Competition into two groups and provide the equivalent amount of 200% of the original Competition prize money for the additional Competition. Which is to be divided equally between the two groups. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

Effective 1/1/19

Longines Ranking List

The number of **results to count per Athlete per day is limited to one** (the Competition in which the Athlete earned the most points), with an exception for the Nations Cup Competition, which may count in addition to the results of another Competition on the same day.

FEI Veterinary Regulations Article 1004

Horses are not permitted to compete in FEI Events:

h) if the hair on their limbs has been clipped and/or shaven at any point during their presence at an FEI Event site. Permission must be granted from the VC/VD by the PTV for clipping and/or shaving required for veterinary purposes, prior to any investigation or treatment taking place.

2.5

At all FEI Jumping Events for Pony Riders, Children, Amateur Owners and Veterans, only hind boots meeting the following descriptions may be used: 2.5.1 Boots as described in Art. 257.2.4 for FEI Jumping Competitions for Young Horses.

2.6.

For implementation as of 1 January 2020: Only hind boots as described in JRs Art. 257.2.4 and 257.2.5, may be used at FEI Jumping Events for Juniors, Young Riders and U-25.

For implementation as of 1 January 2021: Only hind boots as described in JRs Art. 257.2.4 and 257.2.5, may be used at FEI Jumping Event

NAYC - Maximizing the Experience

- Team Experience
 - Combine Teams 2 weeks ahead of Championship
 - Add elements to be part of the bigger US Team
- Look into adjusting the time period for money won
 - Start post Championship to allow for analysis
 - Close closer to Championship
- Support for Chefs to confirm 4 athletes after the Speed Competition
 - Need to ensure a process is in place with un-conflicted individuals
