Clean Sport: Please remember it is the Athlete's responsibility to understand and adhere to all WADA, FEI, USOPC, and USADA anti-doping protocols, policies, and procedures, and may be drug tested. FEI Registered Athletes are subject to in-competition and out-of-competition drug testing at any time. Athletes must be in possession of a current Therapeutic Use Exemption (TUE) if they wish to take medications that are prohibited under the WADA Rules. Athletes are encouraged to ensure that all medications that they take are permitted. Contact Steven Morrissey with any questions at smorrissey@usef.org or (859) 225-7686.

All horses that are registered with the FEI or USEF shall be subject to in-competition testing in line with the FEI and USEF Rules. The FEI's philosophy is that horses must be "clean" at the time of competition. If seeking advice from a veterinarian, ensure they are a registered FEI Veterinarian and fully conversant with the FEI Veterinary Rules and the Prohibited Substance List. Visit this useful USEF webpage for more information on Clean Sport: <https://www.usef.org/team-usa/sport-excellence-education/clean-sport>
