- 5 The following is an example of the consent email that will be sent to the primary guardian on file.

- 6 The primary guardian will then click on the link and be directed to the USEF Network Minor Consent page. They can specify which email address you will use to access the USEF Network. If it is taken, they will be notified of it and be able to change it to a unique email. they will also type their name as an electronic signature verifying that they are consenting to a minor creating and using an account on the USEF Network powered by ClipMyHorse.TV.

- 7 Consent only needs to be granted once. If you use the same email as the one the consent was sent to, then USEF will consider it verified. Once verified, you only need to navigate back to [www.usef.org/network](http://www.usef.org/network) to be redirected to ClipMyHorse.TV to set the password for access the USEF Network. Your login email will be what the primary guardian has set it to.

- 8 If the email entered is different from the consent email, consent will be granted; however, if it is unverified, you or the primary guardian will need to navigate to the new email entered and click the link in the verification email before you will be able to proceed with account activation.
