CHAPTER NS NATIONAL SHOW HORSE DIVISION

SUBCHAPTER NS-1 GENERAL QUALIFICATIONS

NS101 Eligibility

Horses must be registered with National Show Horse Registry at the time entry is made. The exhibitor must supply the competition with a copy of an official NSHR certificate of registration or confirmation letter before the horse is allowed to show. Horse owners must be members of the National Show Horse Registry in order to exhibit at Local, District and National Finals Competitions. In the case of multiple ownership, only one owner is required to be a member. Riders, drivers, handlers, and/or trainers are required to either be NSHR members or pay the NSHR non-member fee per show at Local and District levels; membership is required for the Finals level.

1. Electronic communication devices used for purposes of coaching exhibitors during a competition shall be prohibited in all classes in the National Show Horse Division. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional's office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The certifying medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.
2. An exhibitor with a disability (other than hearing), will be provided reasonable accommodation upon submission of a written certification from a treating medical professional's office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.

NS102 Shoeing Regulations

1. Soundness is required.
2. Shoeing regulations are designed to provide comfort and protection for the horse as well as better performance that is as natural as possible.

NS103 Boots

Either unweighted bell boots or unweighted quarter boots are permitted in five-gaited, fine harness and roadster classes, but are prohibited in all other classes. When used, only one of either type boot is permitted on a hoof. In case of inclement weather, the use of polo boots and bandages may be permitted provided competition management publicly announces it before a class.

NS104 Breed Standard

The National Show Horse shall strive to produce an athletic horse which retains size, beauty and refinement. Specifically, the following traits are desirable:

1. Motion—Balance and obvious power from the hindquarters flowing into an elevated front end, the front legs showing both flexion and extension;
2. Neck—Very long, set high on the shoulder and relatively upright with fine throatlatch. The neck should be shapely but without a pronounced crest;
3. Head—Relatively small, short and refined with large eyes and small, well placed ears and a straight or slightly concave profile (a "Roman nosed" or convex profile is not desirable);
4. Pronounced withers and a very deep and well laid-back shoulder;

5. Proportionately short back closely coupled with a long hip and relatively level top line (moderately sloping croup not to be penalized);
6. Legs—Correct from all angles with long forearms and short cannon bones in front and long, well-angled pasterns front and rear;
7. Refinement of bone but not lacking in substance, especially in the chest, girth, shoulder and hip;
8. A relatively high-set tail, natural and flowing;
9. When observed at rest or in motion, the horse must exhibit a natural presence and, when animated, extreme brilliance. The horse must exhibit high carriage when showing or relaxed.

NS105 General

1. All horses shall be worked both ways of the ring at all required gaits as directed by the judge(s). All horses chosen for a workout must be worked both ways of the ring in front of each judge, at any gait except the walk.
2. To be penalized: Over-bridling (i.e., over-flexed, chin toward chest); mixed gaits; unbalanced action; pulling; fighting the bit; tossing the head; carrying head to one side or going sideways; leaving hocks behind; strung out; wrong lead or cross-cantering; breaking of gait; winging; interfering; traveling wide behind; loss of form due to excessive speed; bad manners; exaggerated opening of mouth; carrying sour ears; bucking; rearing; balking; kicking, or not being under control. Horses with head-sets behind the vertical must be penalized.
3. BACKING. Entries are not to be requested to back in the line up with the exception of the Country Pleasure, Ladies English Side Saddle, Western Pleasure and Show Hack divisions where backing is optional at the judge's discretion.
4. One attendant, without whip, is allowed to head each entry in all driving classes. The attendant may uncheck and stand the entry on its feet. Attendants must be neatly attired and may be required to meet dress requirements set forth by individual competition managements, provided that such requirements are printed in the prize list.
5. The use of action devices is permitted in all sections in accordance with GR839. (Exception: NS118.4)
6. Stallions may be shown in Ladies', Junior Exhibitors' and National Show Horse Saddle Seat Equitation classes unless prohibited in the prize list.
7. Nasal strips are not permitted in the National Show Horse Division.

NS106 Division of Classes

1. Classes may be divided according to:
 - a. Sex or age of horse.
Height—15.2 hands and under; over 15.2 hands. **A Federation measurement card or form is not required for entry into Lite classes restricted by the height of the horse or pony. However, horses and ponies must be within the correct height range when competing in classes restricted by height.**
 - b. Sex or Age of rider.
 - c. With or without Championships.
2. Recommended are Maiden, Novice, Limit, Junior (Five-Year-Olds & Under), Owners Classes in all classifications and Amateur-Owner-Trainer (open to horses that have not had professional training since January 1 of the current competition year).
BOD 06/17/24 Effective 12/01/24

NS107 Conduct

An exhibitor is entitled to request only one time out per class. See GR833.

NS108 Judging Criteria

The specific type of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed. For

example, a horse placed first in a class judged on performance, quality, manners and conformation could justifiably be unplaced against the same horses if the class were judged on manners, quality, performance and conformation. The criteria considered are; performance, manners, quality and conformation.

NS109 Qualifying Classes and Specifications

1. OPEN, JUNIOR, THREE-YEAR-OLD, TWO-YEAR-OLD, MAIDEN, NOVICE, AND LIMIT. Classes are judged on performance, quality, manners and conformation (Exceptions: NS128). The OPEN horse should be the ultimate representative of the breed. It should be as nearly perfect as possible; performing all gaits with animation, brilliance and extreme action at both ends. Performance is paramount in these classes; next is quality, manners and conformation.
2. LADIES. Classes are judged on manners, quality, performance, and conformation. A Lady's horse should be outstanding in refinement and elegance with suitability of horse to rider taken into consideration. Expression is paramount and quality is of prime consideration. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly.
3. JUNIOR EXHIBITORS, AMATEUR and OWNERS. Classes are judged on manners, performance, quality and conformation (Exception: Show Hack). Manners are paramount in these classes but there is a difference in the way in which horses are judged in each. Suitability of horse to rider shall be given consideration.
4. The JUNIOR EXHIBITOR horse should be mannerly, willing and expressive with balanced action. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly.
5. AMATEUR, GENTLEMEN, and OWNERS horses can be a bit stronger and perform in a bolder manner. More action and animation are desired and less emphasis can be put on manners than in Ladies and Junior Exhibitor classes.

NS110 Division of Classes

1. It is recommended that classes of 25 or more entries be divided into separate sections by sex, size of horse or selecting every other number on the list of entries. The division of entries must be posted in the competition office and announced over the public address system or listed in the program.
2. In Ladies, Junior Exhibitor, Amateur, Owner, Fine Harness, Pleasure Driving and Country Pleasure Driving classes it is recommended that classes of more than 15 entries be divided in the same manner.

SUBCHAPTER NS-2 DESCRIPTION OF GAITS

NS111 General

1. The standard of excellence of the National Show Horse is beauty, symmetry and balance. Balance features coordinated motion, with straight true folding action of the front legs with flexing hocks carried close together, producing a clean, rhythmic and fluid way of going. In addition, the National Show Horse possesses animation, brilliance and extreme grace of movement.
2. UNDESIRABLE: Winging, interfering, traveling wide behind, mixing of gaits, shackled look and loss of form.

NS112 Walk

Judging at the walk is based on manners, quality and natural action it is not used as a rest period.

1. WALK: The walk should be an elastic, ground covering and collected four-beat gait maintaining proper form and consistency in stride. It should be executed in a brisk manner that is compatible with the type of class. It should display the horse's good manners, type of stride and attitude. The walk is relaxed.
2. ANIMATED WALK: The animated walk is a highly collected gait, exhibiting much "primp" at a slow, regulated speed, with good action and animation. It should have snap and easy control. It can be either a two-beat or

four-beat gait. It is performed with great style, elegance and airiness of motion. A flat-footed walk is not to be penalized.

3. The walk is required as a transition between gaits in English Pleasure, Three-Gaited and Five-Gaited, except between the trot and strong trot and slow gait and rack.

NS113 Trot

1. The trot is a natural, two-beat diagonal gait in which the front foot and the opposite hind foot take off from the ground in unison and land simultaneously. A balanced trot features coordinated motion with straight, true, shoulder motion of front legs, with flexing hocks carried close together. To be performed at a moderate speed and collection. The trot must be mannerly, balanced, cadenced and free moving. Posting is required.
2. Strong trot: A two-beat gait. At the strong trot the horse exhibits more power and motion than at the trot. It is performed with a lengthened stride but no decrease of collection. The speed is determined by each horse's own natural ability to increase stride, to maintain collection and not to lose form. Horses that string out behind are to be penalized. Extreme knee flexion or extreme extension are encouraged if combined with a bright and willing attitude and an unlabored, pleasurable appearance. The strong trot must be mannered, balanced, cadenced, and free moving.
3. Park trot: A two-beat gait that requires extreme knee flexion and use of the shoulder for balanced, graceful extension. Speed to be penalized. The most desirable park trot gives a balanced appearance from front and rear. It should be executed in a highly collected manner. Posting is optional.
4. Roadster Jog-trot: The jog-trot is called to display the purity of the horse's gait. It is executed in a highly collected manner. The horse's energy should be directed toward animation rather than speed.
5. Gaited trot: The trot of the Five-Gaited horse should show speed in form. The desired speed is the maximum rate at which the horse can trot while still maintaining proper form, control and balance. Posting is optional.
6. "Show Your Horse": At this command the driver has the privilege of showing the Fine Harness horse to its best advantage at the trot but excessive speed shall be penalized.
7. Road Gait: The road gait trot is executed in a highly collected manner. It is faster, stronger and bolder than the jog-trot; with a fuller extension of stride to obtain desired speed.
8. Drive On: When asked to drive on in Roadster classes, the horse must show speed in form. The desired speed is the maximum rate at which a horse can trot while still maintaining proper form, control and balance.

NS114 Canter

Criteria.

1. A three-beat gait. Smooth, unhurried, with moderate collection, correct and straight on both leads. The horse must appear bright but relaxed.
2. It is acceptable, although not encouraged, for the horse to have a bolder, stronger canter in those classes where manners are not paramount or where speed at a qualifying gait is desired. Ease of control, rate of speed and collection may vary according to the class specifications.
3. Where manners are paramount, a slow, consistent rate of speed must be maintained with little obvious effort from the rider.

NS115 Slow Gait

1. The slow gait was developed from the pace to be a four-beat gait with each of the four feet contacting the ground separately. In the takeoff, the lateral front and hind feet start almost together but the hind foot contacts the ground slightly before its lateral forefoot.
2. The slow gait is a highly collected gait with most of the propulsion coming from the hindquarters, while the forequarters assist in the pull of the final beats. The slow gait is not a medium rack.

3. The slow gait is a restrained four beat gait, executed with hesitation and slight elevation with true and distinct precision. Speed is to be penalized. It is high, lofty, brilliant and restrained, denoting style, grace and polish of the horse.

NS116 Rack

1. The rack is a four-beat gait in which each foot meets the ground at equal, separate intervals. It is smooth and highly animated, performed with great action and speed, in a slightly unrestrained manner. Desired speed and collection are determined by the maximum rate at which a horse can rack in form. Racking in form should include the horse remaining with a good set head. It should be performed by the horse in an effortless manner from the slow gait, at which point all strides become equally rapid and regular.
2. TO BE PENALIZED: Any tendency to become “trotty”, “pacey”, or “hitchy gaited”.
3. In Pleasure classes, there is more emphasis on the way of going as a pleasure gait with only moderate speed required. Where manners are paramount, there is more emphasis on the ease by which it is performed by the rider.

NS117 Hand Gallop

The hand gallop is performed with a long, free, ground-covering stride. The amount of ground covered may vary between and among horses due to difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads. The hand gallop is not a fast collected canter.

SUBCHAPTER NS-3 HALTER CLASSES

NS118 General

1. Halter classes may be divided by sex and age groups at the discretion of competition management.
2. Horses to be shown standing, at a walk and at the trot. Halter horses are not to be stretched or “parked out”. A horse is considered not stretched if all four feet are flat on the ground and at least one front and one rear cannon bone are perpendicular to the ground. Horse’s weight evenly distributed on all four legs. Emphasis shall be placed upon adherence to breed standards, conformation and quality, with close attention placed upon animated motion, flexion of the joints and correct movement of the horse. Transmissible weakness to be counted strongly against breeding stock. Horses must be serviceably sound.
3. A suitable headstall equipped with throatlatch is mandatory. Curb bits are optional on horses one year and older. Only one handler is permitted in the ring per horse. Showmanship is important in any competition class including halter. However, when showmanship of one handler is at the expense of another, then that handler’s entry shall be penalized at the discretion of the judge. Excessive use of the whip which would harm the horse, cause negative reaction of the spectators or interfere with another entry is forbidden. Halter handlers shall dress neatly. It is recommended that both men and women wear a vest and/or a dress jacket. Gloves, hats and ties are recommended. English riding suits are preferred but only with pants and coats specifically tailored in length for standing. Rolled up pants are not permitted. Denim jeans, hunt seat attire or western suits of any kind are not permitted.
4. The use of shackles, elastic stretchers or blindfolds on weanlings and yearlings is prohibited on the grounds before or during a competition.

NS119 Get of Sire and Produce of Dam

Get of Sire and Produce of Dam classes shall have at least two entries entered under the name of the sire or dam, one handler per entry. They shall be shown and judged under the same provisions as in NS118.2 and .3 above, except a walk or trot is optional and emphasis shall be placed upon reproductive likeness, uniformity and

quality of, and adherence to, breed characteristics and conformation. More than one set of entries per sire or dam may be entered in the same class.

SUBCHAPTER NS-8 NATIONAL SHOW HORSE ENGLISH SHOW HACK SECTION

NS148 General

1. Competitors to enter the ring in a counterclockwise direction at a normal trot.
2. Light contact must be maintained with all reins at all gaits. A judge may not request that gaits be performed only on snaffle or curb.
3. Judges are required to consider the performance at each gait equally in adjudicating this class.
4. Horses may show with a braided mane and tail. Braids may be secured with tape, yarn, or rubber bands. Decorations are prohibited.

NS149 Appointments

1. Bridle shall be light, show type; either single snaffle, double (full) or pelham. Kimberwick bit is permitted. Browbands and cavessons other than hunter or dressage types are prohibited. Unconventional tack such as figure eight, drop, or flash nosebands are not permitted.
2. English saddle of any type is required. Girths of either leather, white web, nylon string or suitable material.
3. Martingales, breastplates not allowed.
4. Acceptable Hack attire is required. It consists of conservatively colored coat, breeches, and boots. A conservatively colored hunting cap or derby is required. Formal attire consisting of white breeches, top hat and tails may be worn. It is usual to wear such attire after 6:00 p.m., or in Championship classes.
5. Spurs, whip or crop optional at the exhibitor's discretion.

NS150 Qualifying Gaits

A Show Hack horse is not necessarily a Dressage horse, nor an English Pleasure horse of the National Show Horse Division. Elevation and high knee action are not to be emphasized. The Show Hack is a suitable section for the well-trained animal. Show Hacks must be balanced and show vitality, animation, presence, clean fine limbs and supreme quality typical of the breed. Soundness is required.

1. Walk, a four-beat gait: Straight, true and flatfooted.
 - a. Normal walk: Regular and unconstrained, moving energetically and calmly forward.

- b. Collected walk: Strides are shorter and higher than the normal walk. The head approaches the vertical, but should never move behind it. Pacing is a serious fault.
 - c. Extended Walk: The horse is allowed to lengthen frame and stride while rider maintains light rein contact. The horse should cover as much ground as possible without rushing.
2. Trot, a two-beat gait: Free-moving, straight, rider maintaining light contact with the horse's mouth at all times.
 - a. Normal Trot: Light, crisp, balanced and cadenced with the rider posting.
 - b. Collected Trot: The horse's stride is shorter and lighter, maintaining balance and impulsion. The neck is more raised and arched than at the normal trot as the head approaches the vertical line, never moving behind it. Rider is sitting.
 - c. Extended Trot: Maintaining the same cadence and performing at medium speed, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in the rider's hand as it lengthens its frame. Rider is posting.
 3. Canter, a three-beat gait: straight on both leads, smooth.
 - a. Normal Canter: Light even strides, should be moved into without hesitation.
 - b. Collected Canter: Marked by the lightness of the forehand and the engagement of the hindquarters, the collected canter is characterized by supple, free shoulders. Neck is more raised and arched than in normal canter as the head approaches the vertical line, never moving behind it.
 - c. Extended Canter: Maintaining the same cadence, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider's hand as it lengthens its frame.
 - d. Hand gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to the difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads.
 4. The collected and extended gaits are to be called by the judge both ways of the ring. At the discretion of the judge, horses while on the rail may be asked to halt and rein back. A Show Hack shall be able to perform all of these gaits with a noticeable transition between the normal, collected, and extended gaits. The horse must appear to be under complete control and easily ridden. Obedience to the rider is of prime importance. If the horse exhibits clear transitions in a balanced and level manner, appearing to be giving a comfortable and pleasurable ride, it is performing correctly for this class.

NS151 Gait Requirements and Judging Specifications
