

2017 High Performance Fall Training List

Lexington, Ky. – The US Equestrian Eventing High Performance Program is designed to achieve Olympic qualification and medals in the current Games cycle, in addition to building a sustainable foundation for the success of future championships. The Eventing High Performance Program consists of the Elite, Development, and Emerging Athlete Programs. For the 2017 Summer Training Lists, a two-tiered system was introduced for the Development Program, and no changes have been made to the [Emerging Athlete Program list of participants](#). The following combinations have been named to the 2017 Summer Training Lists for the Elite Program and Tier 1 and Tier 2 Development.
