

March 18, 2020

Dear Athletes and Owners,

You are receiving this letter due to your placing on the ranking list or you submitted an application of intent for the 2020 U.S. Endurance Team. It has been a very interesting week for all of us. We thank you for your patience as we collectively define our next steps. At this time, we have not been given any information to suggest that the 2020 FEI World Endurance Championship will not go ahead as scheduled or as planned. As such, we would like to provide the following reminders and updates:

- The last date to submit the application of intent is March 26, 2020 at 11:59pm, ET.
- The last date to add a horse to an already submitted application of intent is March 26, 2020 at 11:59pm, ET.
- The Selection Process for the 2020 U.S. Endurance Team will be monitored and examined constantly. Please be sure to review the Selection Procedures found [here](#).
- The FEI Calendar may be updated at any time (competitions are currently cancelling, some are postponing and there is a possibility for new FEI competitions to come onto the calendar). We will do all we can to keep you updated on the changes but it remains your responsibility to check the USEF, FEI and competition websites on a daily basis.
- USEF encourages continued training and preparation for the Championship. USEF will provide you with the latest information and developments, as they become known.

Please know during this challenging time, your team at US Equestrian will continue to provide service and support. We are closely monitoring communications from the Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO), the U.S. Department of State, U.S. Department of Homeland Security and the United States Olympic and Paralympic Committee (USOPC). We have communicated to our membership and competition organizers guidance to suspend all USEF licensed competitions and participation for the next 30 days. We will assess the situation on a daily basis.

Additionally, beginning March 17, 2020, USEF will be implementing a Flexible Work Plan for USEF employees through March 27, 2020. At the end of this month, this plan may be modified or extended as we monitor the COVID-19 situation and USEF's business needs.

Please check [the USEF website](#) daily for any changes. If you have any Endurance specific questions, please reach out to me directly.

Kind regards,
Kristen
