

U.S. FEI Endurance Calendar *Policies and Procedures*

Overview

The aim of these policies and procedures is to produce the most effective U.S. endurance calendar. It is important to note at the outset, that these policies and procedures do not replace the USEF Licensing and/or Mileage Rules.

USEF may submit dates on the FEI calendar for events that are conditionally approved in advance of an Organizer receiving their one (1) year Federation license. However, an event/competition is not USEF approved unless and until a Federation Competition License Agreement has been executed. Organizers must be very clear that an event appearing on the FEI Calendar does not equate to approval of the Federation license for this event. Ultimate approval lies with the USEF Board of Directors and is demonstrated by a properly executed Competition License Agreement. *For example, there may be times when an event/competition is included on the FEI Calendar but does not yet have a properly executed competition license agreement with the USEF and therefore without a properly executed Competition License Agreement with USEF, the event/competition is only conditionally approved.*

Applications, Review, Approval, and Fees

USEF Application Deadline

Applications for events wishing to be submitted to the FEI by October 1 for the following calendar year must be submitted to USEF no later than June 1. Any application received after the June 1 deadline has no guarantee of being submitted to the FEI for the applicable October 1 deadline. Applications will only be charged late fees if they are not able to be submitted to the FEI for the applicable October 1 deadline.

USEF Review Procedure (All dates in the following timeline are approximate and subject to change.)

June 1 – June 15: USEF Staff and USEF Endurance Sport Committee or its designees will review the proposed dates and identify areas of concern and/or opportunity in the calendar. These areas of concern and/or opportunities will be communicated to the impacted OCs with the intent of working with OCs to resolve the areas of concern and/or opportunity prior to further review of the calendar.

Criteria outlined in Annex A will be considered to alleviate potential areas of concern in the proposed calendar.

June 15 – July 1: Open Review: Proposed calendars are circulated to all OCs that submitted an application to host an event on the upcoming FEI competition calendar. OCs may request modifications, cancellations, and/or comment on potential areas of concern during the Open Review. Any request or comment must be submitted to Steven Morrissey (smorrissey@usef.org) no later than July 1.

August: USEF Endurance Sport Committee reviews calendar. If potential areas of concern are noted by the Committee, USEF Staff will work with OCs to resolve areas of concern where possible and re-submit the calendar to the USEF Endurance Sport Committee prior to sending the calendar to the USEF Board of Directors or USEF Executive Committee.

By September 18th: The USEF Board of Directors or Executive Committee approves calendars prior to the October 1 submission deadline to the FEI.

Application/Calendar Fees Remittance Procedure:

The FEI Calendar Fee must be paid at the time of application. If the OC's application is not approved by the USEF, then the payment will be refunded. Please be advised that the OC's event cannot hold a place on the FEI Calendar until the FEI Calendar Fee is paid in full. Non-payment of the FEI Calendar Fee in a timely fashion will result in a late fee. The FEI event calendar fees are annually published by the FEI and are listed below (Fees Chart for FEI Competitions).

FEI Calendar Procedure: The dates for FEI events will also be subject to FEI Rules. See FEI General Regulations Article 112. The FEI Calendar is approved annually after the FEI General Assembly in November by the FEI Secretary General.

Late Applications & Modifications

USEF Late Applications and Modifications Deadlines It is understood that at times there are circumstances where an OC is not able to meet the applicable USEF application deadlines and/or must modify their event. Modification Requests are changes to the divisions/classes held, organizer, date, or location (see below for Downgrading) of application submitted on time and made after the regular Open Review period. In these instances, the following deadlines have been established.

- Late Applications or modifications received after August 1 have NO guarantee of being submitted to the FEI for the applicable October 1 deadline due to the review procedure.

USEF Review Procedure

For those Endurance Sport Committee members who may have a conflict with any of the events on the proposed Calendar, it will be the decision of the remaining Committee members without conflict to decide the involvement of the conflicted members during the review process.

- USEF will notify the OCs that have an event on the date of the late application or modification, including those that may be a minimum of two (2) weeks prior to, or two (2) weeks following. The OCs concerned will have 7 business days to provide detailed comments regarding the proposed late application/modification to the calendar. Any comments must be sent directly to Steven Morrissey (smorrissey@usef.org).
- USEF Staff and Endurance Sport Committee or its designees will review the OC comments received. The criteria outlined in Annex A will be utilized during the review.
- USEF Endurance Sport Committee will make a recommendation to the USEF CEO for all events.

FEI Calendar Procedure: Late applications or modifications will also be subject to FEI Rules. See FEI General Regulations Article 112.
