NOTE: JR/YR Division will not count as Selection Events for purposes of qualifying for Team competing in the Senior Division of a Championship. JR/YR divisions will only count as a Selection for purposes of qualifying for a Team competing in the JR/YR division at a Championship.

1.4. Step-by-step description of the selection process for the Championship:

- 1.4.1. **NOMINATED ENTRIES:** Prior to the Nominated Deadline, a team of five athlete/horse combinations (“Team”), with up to the maximum combinations permitted being named as ranked alternates, will be named using the criteria listed below. In order to be eligible for selection, athlete/horse combinations must successfully complete at least two single day FEI sanctioned Endurance Events held at a minimum of 120km, between September 1, 2023 and May

12, 2025 for the Pan American Endurance Championships (“Selection Event”). At least one of the athlete/horse combination’s successful completions at Selection Events must take place between June 2, 2024 and May 12, 2025. Of the Athlete/Horse’s Selection Events, the Combination must successfully complete at a minimum of two different competition venues.

- 1.4.2. The Selectors will consider the totality of the criteria in determining their recommended Team. The Selectors’ recommendation will be based on the following criteria (in no priority order):
- a. The overall performance and soundness of the athlete/horse combination at Selection Events, with emphasis on the athlete’s and/or horses’ competitive results/placings and completion rate within the Selection Period.
 - b. Athlete and horse’s previous competitive experience, with emphasis on the athlete’s and/or horse’s ability to perform consistently under pressure as demonstrated by successful results gained outside of the United States and at FEI Championships.
 - c. Athlete/horse combination’s competition history, considering the location of competitions and the combination’s ability to successfully complete in varying locations, terrain, and field of entries.
 - d. The athlete/horse combination’s likelihood of placement within the top ten finishers at the Championship and the suitability of the combination to contribute to a Team Medal at the Championship.
 - e. Athlete/horse combination’s training history within the Selection Period.
 - f. Recommendation of the Veterinarian Advisory Panel*, USEF Approved Veterinarian, and/or veterinarian records regarding horses’ current fitness, soundness, and ability to compete utilizing evaluations by the Veterinarian Advisory Panel, USEF approved Veterinarian, and/or veterinary records of the horses.
 - g. Willingness of the athlete to be transparent and cooperative with the USEF Team Veterinarian(s), Chef d’Equipe, and Team Staff.

* A Veterinary Panel consisting of 3 FEI Veterinarians will review veterinary examination reports of the horses in contention for selection. These veterinary examinations will be conducted by a veterinarian chosen by USEF at the expense of the Athlete. The Veterinary Panel will provide a recommendation to the Selectors of each horse’s ability or inability to be fit to compete at the Championship.

- 1.4.3. **DEFINITE ENTRIES.** Prior to the closing date of the FEI Definite Entries, USEF Selectors will name the Team and up to the maximum number of alternates. The Team will be comprised of the five athlete/horse combinations named on the Nominated Entries, except in instances of removal or replacement, which will be filled by the alternates in ranked order.

NOTE: It is the sole responsibility of the athlete to ensure that all Selection Event scores for the Championship are submitted to USEF on time and are accurate. Athletes must contact USEF at nzerbee@usef.org by no later than June 10, 2025 at 11:59PM ET to correct any inaccurate scores or errors in the Ranking List.

- 1.4.4. Declaration of Starters – After the First (Pre-Ride) Inspection of the horses and by no later than the assigned time for the declaration of starters, the Chef d’Equipe and Team Veterinarian will evaluate the Horses that have passed the First (Pre-Ride) Inspection and will declare the Team that will start at the Championship.
- 1.4.5. Should there not be at least three (3) Athlete/Horse combinations that meet the FEI qualifications and submit an application of intent by the deadline, USEF may select one (1) or two (2)

Athlete/Horse combinations to send to the Championship as individuals. Those individual Athlete/Horse combinations will be selected in accordance with the criteria established in these selection procedures.

1.5. Discretionary Selection:

1.5.1 Rationale for utilizing discretionary selection: discretionary selection is used to field the best team possible for the Championship.

1.5.2 Discretionary Criteria and how it will be used: See Section 1.4.

1.5.3 Other Discretionary Criteria Used:

1.5.3.1 Soundness and Fitness Evaluation: Horses that are candidates for selection may be examined at any time during the selection process through the conclusion of the Championship by the Team Veterinarian, Veterinarian Advisory Panel, or a veterinarian appointed by USEF. Horses found to be unsound and/or unfit by the Veterinarian Advisory Panel, or a Veterinarian appointed by USEF may be eliminated from the Selection Process at the recommendation of the USEF Endurance Selectors, with the approval of the USEF Board of Directors, an Ad Hoc of the USEF Board of Directors, or the USEF Executive Committee. All Horses named to the Nominated Entries may undergo a baseline exam with the Team Veterinarian, Veterinarian Advisory Panel, and/or a Veterinarian appointed by USEF at any time between selection and departure for the Championship. The Team Veterinarian and the athlete's veterinarian must be in communication regarding the soundness and preparation of the Horses on the Nominated Entries.

1.5.3.2. Team Veterinarian Request: Athletes or Owners, at their own expense, must make available, upon the request of the Team Veterinarian, Veterinary Advisory Panel, or a Veterinarian appointed by USEF, 12 months' worth of veterinary records of Horses under consideration for selection. In addition, applicants, at their own expense, shall be responsible for supplying any follow-up diagnostic information requested by the Team Veterinarian, Veterinary Advisory Panel, or a Veterinarian appointed by USEF, for Horses under consideration for selection. Athletes or Owners, at their own expense, shall complete any treatment prescribed by the Team Veterinarian or a Veterinarian appointed by USEF, after consultation with the Horse's treating veterinarian if such a consultation is requested by the Athlete, for Horses under consideration for selection. Failure to comply with any reasonable request of the Team Veterinarian or a Veterinarian appointed by USEF, may result in the removal of the Athlete/Horse Combination from the selection process upon recommendation of the USEF Endurance Selectors, and with the approval of the USEF Board of Directors or an Ad Hoc approved by the Board of Directors, or the USEF Executive Committee.

1.5.3.3. Veterinary Treatment: Once a Horse(s) is named to the FEI Nominated Entries or FEI Definite Entries, all selected Athletes will be required to obtain written permission from the Team Veterinarian or a Veterinarian appointed by USEF, prior to their selected Horses being treated by any person other than the Team Veterinarian or Veterinarian approved by USEF. In addition, all veterinary treatments must be recorded and made available to the Team Veterinarian or Veterinarian approved by USEF, if requested. Failure to adhere to this policy and/or the directives of the Team Veterinarian or Veterinarian approved by USEF, may result in the removal of Horse and/or Athlete from the selection process upon the recommendation of the Team Veterinarian or Veterinarian and approved by USEF Endurance Selectors, with the approval of the USEF Board of Directors or an Ad Hoc approved by the Board of Directors, or the USEF Executive Committee.

1.5.4. Names of the committee(s) that will be responsible for making discretionary selections, along with a complete list of the members' titles (See Attachment X for the complete list).

USEF Endurance Selectors (see section 17 - definitions)
USEF Endurance Veterinary Advisory Panel

USEF Board of Directors, Executive Committee, or Ad Hoc

1.5.5. Process that will be used to identify and handle any potential conflicts of interest involving a member of the selection process:

All individuals involved in the selection of the Team must comply with the USEF Conflict of Interest and Gifts & Entertainment Policy, to include completing and submitting a disclosure form for review by the USEF Legal Department and USEF Audit Committee prior to convening the committee.

Any individual involved in the selection of the Team who has an actual, potential, or perceived conflict of interest must disclose it to the USEF Legal Department and USEF Audit Committee prior to the start of the selection process. Additionally, the individual may be required to recuse themselves from the review process and/or voting. A conflict of interest exists when a personal, family, financial, professional, club, team or business interest of the committee member poses a direct or indirect relationship, connection, or affiliation, past or present, with an Athlete or Horse in contention for the applicable team selection that could compromise the committee member's ability to participate in the selection process in an unbiased manner. If a conflict exists, the USEF Legal Department and Audit Committee shall review the conflict and determine the individual's level of involvement (e.g., whether that individual must recuse oneself from participating in discussions and/or voting). For example, if it is determined that an individual must recuse oneself from voting, the Audit Committee may still determine that an individual who has relevant and necessary information with respect to athlete performance, for example a team coach or discipline director, may, if requested by individuals involved in the selection of the Team, provide such information to the other individuals involved in the selection process so long as such information is provided in a fair and unbiased manner and so long as the individual with the conflict of interest does not participate in the deliberation or vote toward the final decision (See the USEF Conflict of Interest and Gifts & Entertainment Policy). The individual must not otherwise influence other individuals involved in the selection process.

Additionally, any person (including any potentially impacted Athlete, Owner, or Coach of a potentially impacted Athlete or Horse) with a good faith belief that an individual has a conflict of interest may report the alleged conflict of interest to USEF General Counsel and/or Audit Committee. Reports may be made anonymously. No individual shall retaliate in any way against a person who, in good faith, reports an alleged conflict of interest.

Any recused individual shall be replaced in accordance with the relevant USEF appointment process.

2. REMOVAL OF ATHLETES/HORSES

- Failure of the horse owner to timely sign the Horse Participation Agreement (Attachment F).
- Injury or illness of the Horse as determined by a veterinarian approved by USEF, and/or member of the Veterinarian Advisory Panel. If an Athlete and/or Horse owner refuses to have the Horse examined by the Veterinary Advisory Panel or a veterinarian approved by USEF, the injury or illness will be assumed to be disabling and the horse may be removed.
- Failure to adhere to the agreed upon plans, programs, guidance, and/or directives of the Chef d'Equipe, Team Veterinarian and/or Team Leader.
