 2. A horse will also qualify if it is ranked in the top 10 on the USHJA Zone Horse of the Year Channel I or Channel II ranking list for any of the Junior Hunter 3'3" sections based on results from competitions with a start date from December 1, 2023 - May 31, 2024
- b. Junior Hunter 3'6"

 2. A horse will also qualify if it is ranked in the top 10 on the USHJA Zone Horse of the Year Channel I or Channel II ranking list for any of the Junior Hunter 3'6" sections based on results from competitions with a start date from December 1, 2023 - May 31, 2024
- c. Horses that are Champions or Reserve Champions in their respective fence height sections at the previous year's Championship may return to compete in that same fence height section without qualifying.

3. Entry Restrictions

- a. Each junior exhibitor may show one large and one small entry on both coasts. ***The junior exhibitor may compete at 3'3" or 3'6" but may not compete at both heights.***

4. Phases

- a. The Championship will be conducted in three separate phases: Under Saddle to count 20%, Handy Hunter to count 40%, and a single Classic Round to count 40%.
- b. To determine the winner, scores must be calculated based on the total of the combination of all three phases after the percentages of each phase have been calculated.

1. Under Saddle. To be shown at a walk, trot, and canter both ways of the ring. Horses are to hand gallop one direction. Light contact with the horse's mouth is required. Judged on performance and soundness. Manners and suitability to be emphasized.
 - a. In the Under Saddle phase, horses shall be judged in groups of twelve or less. Each horse shall be judged and given a score based on its performance in the group.
2. Handy Hunter. Obstacles should simulate those found in trappy hunt country. The course must have at least two changes of direction and at least one in and out as well as three of the following: hand gallop a jump, bending line, rollback turn, fence at the end of the ring, open a gate while mounted or trot over one obstacle. Judges must place emphasis on promptness and tight turns with precedence being given in that order. Handiness is defined as time and ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Hand Gallop is defined as a significant increase in pace without sacrificing performance or style.
 - a. In the Handy Hunter each entry will be given a numerical score based on its performance.
3. Classic Round. The course must include at least ten obstacles, have two changes of direction, and at least one combination. There shall be one single oxer on the course that shall be ridden at the gallop. Emphasis shall be placed on "brilliance" for this round.
 - a. In the Classic Round each entry will be given a numerical score based on its performance.
4. Soundness. All horses are required to trot a circle on a loose rein at the end of each over fences performance. Horses may be asked to return to the ring and trot another circle at the judge's discretion.
5. The same junior exhibitor is required to show an entry in all phases of the Championship.
6. Exhibitors will be eliminated after two cumulative refusals.
7. If a horse/rider combination does not complete a phase or is eliminated from that phase, that horse will receive a score of "0" for that phase but may continue to compete in the remaining phases of the Championship. A horse with a total score of "0" for a phase is not eligible for an award for that phase but is eligible for an overall award.

5. Judging

- a. Three judges will judge each phase simultaneously but independently of each other. Each judge will give every entry a score for each phase. Prior to the Under Saddle and Handy Hunter, each entry's score in the previous phase shall be totaled and announced. During the over fences phase, the Open Numerical Scoring System is used. After each entry completes the course each judge's score for the round is immediately shown or announced. The total overall score for each entry is then calculated as soon as it has completed the last phase.
 1. Ties will be broken based on the score of the judge that is designated as judge number one for each phase of the Championship. If a tie still exists for the overall standings, the score from the Classic Round will break such a tie.

6. Championship Special Requirements

- a. Horses are required to be stabled on the competition grounds a minimum of 12 hours before the start of their respective fence height section.
- b. Commencing 12 hours prior to the start of their respective fence height section and continuing until through competing, only the competition rider may ride his/her entry. These riders must wear their competition number at all times anywhere on the grounds while mounted.
- c. Failure to comply with these rules will result in elimination if deemed appropriate by an appeals jury which will be compiled of one of the competition's Federation Stewards, a member of the Federation staff, and the competition manager.
- d. The USEF Junior Hunter National Championships may be split into two Championships: one on the eastern side of the U.S. and one on the western side of the U.S. Qualified horses may compete in either Championship but the horse's owners or their agent must declare which coast the horse will be competing in as the horse is only allowed to compete in one coast or the other but not both in any one year. Qualification and points will be the same for both eastern and western championships.

MANAGEMENT: Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of an incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by Horse Show Management—their decision to be final. Horse Show Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate or change judges and officials; to change specifications in jumper classes in order to facilitate the time schedule. Management reserves the right to combine or cancel. Management reserves the right to limit entries in a class. Refused entries will be returned.

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person—all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse—a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, West Palms Event Management, HITS LLC and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

DAMAGE: Owners and exhibitors shall be held responsible for damage caused by them, their agents or employees to stalls, buildings and other properties on the show grounds, and shall be billed accordingly.

ADHERENCE TO THE RULES: All individuals on the horse park property are required to adhere to the rules mentioned in the prize list or as directed by the employees at the horse park. Trainers are all responsible for employees adhering to the rules. Violations will result in expulsion from the horse park.

THE FOLLOWING IS REQUIRED FOR EACH ENTRY:

- All horses on grounds must be registered on an entry blank including horses not entered in classes. One entry blank per horse.
- Entry forms must be complete with owner, riders, trainers and payee information including association membership numbers.

- Signatures of owner, riders, trainer and parent or guardian of minor exhibitors. Parents or guardians of minor exhibitors shall hold the Horse Show, HITS, LLC, West Palms Event Management, Inc., Del Mar Horsepark and staff harmless for injury to such minor(s).
- Entries must be submitted electronically through the Show Management System Online Entry platform.
- \$250 deposit is due per horse at the time of entry and is nonrefundable after the entry due date. This deposit will be applied to the individual horse account for that show. This deposit does not reserve the stall and is non-transferable between horses or accounts.
- An open check or credit card is required at time of check in before numbers will be issued. Make checks payable to HITS, LLC or complete the credit card information through your Show Management System Online Entry platform.
- A 3% credit card fee will be applied to all credit card transactions and is nonrefundable once the card has been processed.

Fully completed entries with proper payment must be received by the due date of July 5, 2024 in order to be guaranteed acceptance into the Championship. Entries received after the date will be accepted on a first come, first served basis as scheduling allows and will be placed on a wait list. Any late entries accepted will be charged a late fee of \$100. Should a wait list be established, substitution of horses will not be permitted in the Junior Hunter sections, and new horses will be treated as new entries to be added to the wait list on the date the new entries are received (*see Gladstone Cup specification for substitution of Equitation horses). Additionally, horses changing fence height sections after the due date of entries will be added to the wait list for the new section based on the date the change request was received. A separate wait list may be established for the 3'3" and 3'6" sections as well as the Gladstone Cup. No new entries will be accepted after 9:00 am on Sunday, July 21st for the Gladstone Cup (JR), 8:00 am on Monday, July 22nd for the Junior Hunters and will be FINALIZED by Monday, June 22nd @ 9 am. It is the exhibitor's responsibility to verify receipt of completed entries and to verify that the correct sections have been entered prior to the closing date.

Accounts must be closed at the end of each show week. Management will close Exhibitor Accounts that have not been settled at the conclusion of each show. Back numbers will not be issued until previous week balances are closed. Exhibitors must close out their account online through Show Management System Online Entry platform. Exhibitors who do not close out by the Monday following each show automatically authorize HITS to close their account using the Credit Card on file. Billing questions or refunds will not be considered after two weeks following the conclusion of the show. Should you have any questions or concerns with your bill, please email the horse show office directly. The Horse Show policies herein stated regarding scratches and refunds will be followed regardless of weather and in place of GR 912. Receipt of any entry form to HITS, LLC whether bearing signature or not, will constitute an entry and will be subject to the Rules and Regulations of this prize list.

REFUNDS: Request for a refund of the deposit must be in writing and received before the closing date of entries and a \$35 fee will be deducted.
