

Rule Change Type	Effective Date	Draft Received	Board Action
Extraordinary	4/1/2025	1/28/2025	Approved 1/25/2025

Extraordinary Change Reason

There are no legitimate reasons for trainer, owners, riders, and grooms to have these substances on the grounds of a Federation Licensed Competition, and horse welfare is at risk.

Rule Change Intent

There are some substances that non-veterinarians should not have in their possession or use on the grounds of a Federation Licensed Competition, due to the potential threat of abuse for competitive advantage.

GR 414 Prohibited Practices

[...]

6. It is a prohibited practice to administer bisphosphonates, except in horses four years of age or older and when using bisphosphonates that are FDA approved for use in horses. GR411 must be followed.

7. It is a prohibited practice to compete in Federation competitions with a tracheotomy/tracheostomy (i.e. surgical opening through the skin into the trachea).

**8. It is a prohibited practice to use and/or possess any of the following substances on competition grounds:**

- a. *Injectable ACTH*
- b. *Injectable Adenosine*
- c. *Injectable Formaldehyde*
- d. *Injectable Magnesium Sulfate*
- e. *Injectable Melatonin*
- f. *Injectable Oxytocin*
- g. *Injectable Pentobarbital, except by a veterinarian for the purpose of euthanasia*
- h. *Injectable Thiamine*
- i. *Injectable Tryptophan*
- j. *Liquid Nitrogen*
- k. *Any injectable prescription medication in any formulation without a manufacturer or compound pharmacy label that identifies all ingredients.*

**9. It is a prohibited practice to rectally administer any substance on the grounds of a Federation competition.**
