Chapter 1. General Licensing Policies and Procedures.

Section 1. General.

1. The official version of the current Federation Licensed Officials Policies and Procedures (the “Policies and Procedures” or “P&P”) will be maintained by the Federation Licensed Officials Department. Only the Policies and Procedures maintained by the Federation Licensed Officials Department will be considered the current and enforceable version.
 - a. The Licensed Officials Policies and Procedures will indicate the version number (i.e. v.1.0) and the date of amendment.
 - b. The Licensed Officials Policies and Procedures will be published on the Federation website under the Licensed Officials tab.
2. The Federation Licensed Officials Committee will be responsible for amending the Licensed Officials Policies and Procedures subject to the provisions of Section 2.
3. Relevant fees can be reviewed [here](#).
4. The Federation’s Chief Executive Officer (CEO), or their designee, may, from time to time, provide an exemption to these Policies and Procedures, in their sole discretion, when appropriate. Any decision of the CEO regarding whether to grant an exemption shall be final and cannot be appealed.

Section 2. Amendments and Revisions.

1. The Policies and Procedures will only be amended annually, except in extraordinary circumstances, as determined by the Licensed Officials Committee. The Federation’s Board of Directors must review and approve all revisions.
2. Annual Amendment and Revision Process
 - a. The Licensed Officials Department will determine the amendment schedule each year and will accept recommendations from Federation Committees and Recognized Affiliates for revisions to the Policies and Procedures.
 - i. Federation Committees and Recognized Affiliates must submit proposed amendments and revisions to the Licensed Officials Department on the form provided by the Licensed Officials Department and in accordance with any guidelines established by the Licensed Officials Department.
 - b. The Licensed Official Committee will review proposed amendments and revisions to the Policies and Procedures and make recommendations to the Federation’s Board.
 - i. Recommendations for amendments and revisions will be submitted to the Councils and applicable Recognized Affiliate(s) for comment and feedback prior to submission to the Board.
 - c. The Federation will publish an updated version of the Policies and Procedures on or around December 1, including Board approved amendments and revisions.
 - i. Updates to the Licensed Officials Policies and Procedures will be effective upon publication.
 - ii. Current or pending applications will be subject to the Policies and Procedures in effect at the time of the applicant’s application to the Federation.
 - iii. New versions of the Policies and Procedures will not be automatically applied to an applicant. However, an applicant may petition the Director of Licensed Officials in writing for the latest version of the Policies and Procedures to be applied to their application if he believes that the latest version would be beneficial (e.g. expedited review, reduction of apprentice requirements, etc.).

Section 3. Licensing.

1. Applications must be submitted on the appropriate application provided on the Federation website. The required fee is not refundable.
2. Applicants must [start a licensed official application](#) before completing any application requirements.
3. Enrollment or promotion as a licensed official in more than four divisions at any one time will not be considered.
4. Denied Applications

- a. If an application is denied, the applicant will not be eligible to reapply for the same division for 12 months after the applicant has been notified of the Federation’s decision. “Denied” refers to applications that have been closed by the Federation rather than those tabled and asked to complete additional requirements.
 - b. Any applicant who has been denied for the same license level and type more than three times may not apply again for the same license and type for seven years.
 - c. Applicants whose application has been denied must start a new application and will be subject to the Policies and Procedures in effect at the time of the applicant’s new application to the Federation.
5. The Licensed Officials Committee may require a person of any age to pass a physical examination before considering an application for enrollment, promotion, or renewal to ensure they are able to safely conduct their officiating duties. The Licensed Officials Committee will not reject for physical reasons any application for enrollment, promotion, or renewal before a physical examination has been conducted. If the person does not pass the physical examination, the status of their license will be reviewed by the Federation.
 6. Unless stated otherwise, all persons, when first approved as an official in a division, shall receive Recorded status regardless of age or experience.
 7. Eligibility and Application Requirements
 - a. All national level and Federation FEI officials must be Competing Members, 21 years of age or older. Apprentices must be 21 years of age or older. Exception: Paso Fino Judge applicants must be at least 25 years of age at the time of application completion.
 - b. All applicants must be compliant with the Federation’s Safe Sport Policy before starting any application requirements. In order to be compliant with the Policy, applicants must complete Safe Sport Training and a background check.
 - c. All applicants must complete Diversity, Equity, and Inclusion training as assigned by the Federation.
 8. Reinstatement and Re-application of Licenses
 - a. If between one and four competition years have passed since an official renewed his license(s), an official must request a reinstatement of licensing and pay the applicable fee. A request for reinstatement must be submitted to the Licensed Officials Department on the appropriate form. All first-time requests are decided by the Licensed Official Committee Chair. If an official has received a reinstatement for the same license in the past, it will be reviewed by the Licensed Officials Committee.
 1. If four competition years have passed since an official renewed his license(s), then the official must be current on the clinic maintenance requirement, if applicable, for the respective license(s) prior to submitting a reinstatement request. If the official is not current on the clinic maintenance requirement, then they must attend the next available clinic before submitting a reinstatement request.
 - b. If five or more competition years have lapsed since an official renewed his license(s), then an official must re-apply for licensing, and follow the current license application requirements specified for each license.
 9. In accordance with GR1002, the relevant Federation committee or Recognized Affiliate may be provided an opportunity to submit an evaluation and recommendation of an applicant as part of the application for licensure.
 10. Apprenticing
 - a. An Apprentice must first obtain permission from the Licensed Competition followed by approval from the licensed official(s) with whom he will be apprenticing.
 - b. Apprenticing in Opportunity or Exhibition classes does not count toward licensing requirements. Exception: Dressage Opportunity classes.
 - c. Any clinician, examiner, mentors, or the like shall conduct all evaluations in good faith, ensure they do not have any conflict of interest that would prejudice the outcome of the evaluation, and share his evaluation within the evaluation form. The clinician, examiner, mentor, or the like may share the assessment or evaluation with the applicant in-person or within 15 days of completion of the requirement.
 - d. See additional restrictions and rules in GR1006.

11. Comments, assessments, reviews, evaluations and the like used in assessing an applicant's fulfillment of a licensing requirement that occurred after February 1, 2019, will be made available to the applicant for review without redaction. Applicants are required to upload all applicable documentation to their online application.
12. Applicants may not start application requirements for a Registered or Senior license before they obtain a Recorded or Registered license, respectively.
13. If an applicant incurs extreme hardship when attempting to achieve a Recognized Affiliate's license, and if the Recognized Affiliate's license is a requirement for a Federation license application or license maintenance, the applicant may request a waiver of the Recognized Affiliate license requirement in writing to the Federation.
14. Applicants may submit an appeal regarding a recommendation from an Affiliate and/or Federation Committee to the Federation.
15. If an applicant believes that an assessment, review, or evaluation procedure was not conducted properly, they may submit an appeal to the Federation within 15 days of the assessment, review, or evaluation being completed.
16. Applicants may request a waiver of the licensing requirements. Waiver requests are subject to the [Licensed Officials Waiver Policy](#) on the Federation website.

Section 4. Maintenance Requirements.

1. It is the responsibility of the licensed official to satisfy all necessary requirements for maintaining their license. The Federation is not required to provide notices of time periods within which requirements must be fulfilled.
 - a. It is the responsibility of the licensed official to renew their Federation and/or FEI license(s) every competition year. The Federation is not required to provide notices of a missing license renewal.
 - b. An official who is eligible to renew (up-to-date on clinic, exam, and officiating maintenance requirements) will have one full competition year after the lapse of their license(s), to renew their license.
 - c. All licensed officials must complete USEF Safe Sport training, Diversity, Equity, and Inclusion training, and a background check as assigned by the Federation.
 - d. All Federation national and FEI officials must be Federation Competing Members.
2. An official will not be permitted to renew their license(s) if any money is owed to the Federation.
3. For the purposes of maintaining officiating requirements, the first full competition year after an official's approval will be considered as the start of their officiating record.
4. Documented attendance of an FEI recognized course will count towards fulfilling the clinic maintenance requirement of the comparable Federation Judge, Course Designer, or Technical Delegate license (Exception: Jumper Judge and Dressage divisions. Dressage Judge refer to Chapter Two, Section 7), provided it occurs during the same time frame required by the Federation license.
5. Officials will have an unlimited number of attempts to pass a maintenance examination prior to the deadline. If an official fails to achieve a passing score by the deadline, they may be assessed an additional fee and will be ineligible to renew the license until the fee is paid in full.
6. A one-year clinic extension, a one-year officiating extension, or one-year measurement extension may be granted.
 - a. First-time requests are decided by the Licensed Official Committee Chair.
 - b. If an official has received the respective clinic, officiating, or measurement extension in the past, it must be reviewed by the Licensed Officials Committee.
 - c. If the Licensed Officials Committee reviews a clinic or measurement extension request, officiating restrictions may be given.
 - d. All requests must be received on the appropriate form provided on the Federation website.
6. In the event that an official's clinic or exam maintenance requirement falls due in a year in which a corresponding clinic or exam is not offered, the deadline will automatically be extended to the following year with no restrictions, provided all other requirements of the license are met.
7. Documented adjudication of FEI recognized classes at foreign FEI sanctioned competitions will count towards maintaining the comparable national discipline judge or course designer license, provided it occurs during the same time frame required by the national license.

8. Documented adjudication of foreign breed competitions will count towards maintaining the comparable national judge license, provided it occurs during the same time frame required by the national license. Officials must complete the appropriate form available on the Federation website in order to receive credit.
9. The Licensed Officials Committee may require an official to complete additional educational experience.

Chapter 2. Policies and Procedures for Breed/Discipline Licenses.

Section 1. Andalusian/Lusitano Judges.

Section 1.1 Requirements to Obtain and Maintain 'r' Status

- A. Eligibility Requirements
 1. Applicants are not required to meet any additional eligibility requirements aside from those defined in Chapter 10 of the Federation rulebook and/or the Policies and Procedures.
