USEF Reminders

New Free Voluntary Training Courses Offered by the U.S. Center for SafeSport

US Equestrian encourages all parents/guardians and our minor athletes to take the free training courses that are offered by the U.S. Center for SafeSport. These courses are tailored for each group. The Parent's Guide to Misconduct in Sport is a 30-minute training video that educates parents on recognizing, responding to, and preventing abuse and misconduct in your child's sport setting. You will come away equipped with information and tactics to minimize risks of harm. You will also learn what helps create a safe sport environment for your children and what resources are available for reporting.

In addition to the training module for parents/guardians, we encourage viewing [The](#)

[Center's webpage for Parents and Guardians](#). This webpage includes important topics and resources, including the Parent and Guardian's Handbook for SafeSport. This handbook provides information and resources to help parents understand the different types of abuse and misconduct, as well as provides tools and tips for talking to their child about sexual and emotional abuse.

The U.S. Center for SafeSport also provides training modules for minor athletes.

If you are between the ages of 13-17, the Center provides a 15-minute course that is focused on bullying prevention, supporting friends who have experienced abuse or misconduct, and resources for reporting.

For those athletes between the ages of 5-12, the Center provides a 15-minute course that helps minors know the difference between discipline and abuse and encourages them to reach out to a trusted adult when something is not right. It also stresses the importance of positive sportsmanship and having a healthy sport environment focused on fun and safety.

IMPORTANT NOTE: Parental consent is required for junior competitors to register for the course.
