1. **Below are the event names, dates and locations of all Selection Trials, Tryout Events, and/or Preparation Events to be used as part of the selection process:** Pas de Deux vaulters wishing to be considered for the FEI Nominated Entry **must** complete a minimum of three (3) Qualifying Competitions as described below, and written in the Athlete Memo distributed and posted on the USEF website, October 10, 2017.

All scores must be obtained during the designated qualifying period, which shall be from November 1, 2017 through July 16, 2018.

In the event the date of the Event is changed, the USEF Vaulting Sport Committee reserves the right to change the designated qualifying period and add additional Selection Trials. Vaulters will be notified in writing of any changes as soon as practicable.

Qualifying Competitions:

One (1) of these scores **must** be received from the following designated 2018 USEF Selection Trials.

2018 Selection Trials

- April 13-15 Vault Into Spring, Lynden, WA
- April 21-22 Mozart Memorial Vaulting, Sherwood, OR
- May 19-20 Garrod's Spring Classic, Saratoga, CA
- June 9-10 Woodside Vaulters Spring Fest, Menlo Park, CA
- June 19-21 Heart of the Rockies, Loveland, CO
- June 30 – July 1 USEF/AVA Region IX Championships, Lexington, VA

One (1) score **must** be obtained at any CVI 3* or CVIO as defined by the FEI, held during the qualifying period. (A list of FEI qualifying events can be found on <http://www.fei.org/>).

The third score may be obtained at either a USEF Selection Trial or at any CVI 3* or CVIO Competition during the selection period.

2. The above Selection Trials will offer Senior Pas de Deux Selection Trial Events which will be run in accordance with 2017 AVA Recognized International Events, Chapter III rules. Exception: Selection Trial Senior Pas de Deux Events will consist of TWO rounds of freestyle.

C. **Provided below is a comprehensive, step-by-step description of the method that explains how Pas de Deux vaulters will go through the selection process to become nominees:**

1. **USEF 2018 VAULTING WORLD EQUESTRIAN GAMES Selection Ranking**

Lists: The 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Selection Ranking List (“2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List”) will be compiled by using the sum of the one (1) highest score from the 2018 Selection Trials (see Section I.B.1) as of July 16, 2018, the highest score from a CVI 3* or CVIO held during the qualifying period (November 1, 2017 – July 16, 2018) plus the next highest score from another Selection Trial or CVI 3* or CVIO event during the Selection Period.

2. Pas de Deux partnerships must complete a minimum of three Qualifying Competitions as described below:

One (1) of these scores **must** be received from the Senior Pas de Deux Event at a Selection Trial. The second score **must** be obtained at any CVI 3* or CVIO as defined by the FEI, held during the qualifying period as described in I.B.1. The third score **may** be obtained at either a Selection Trial or a CVI 3* or CVIO during the Selection Period. The ranking score from the CVI or CVIO competitions will be the final “overall” score from two rounds of freestyle. (Note: FEI rules allow either one or two rounds of freestyle.) The 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List will be posted no later than July 16, 2018 at www.usef.org.

Pas de Deux Partnerships are responsible for reviewing the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List after July 16, 2018 and notifying Lauren Johnson, USEF Director of Vaulting, in writing no later than July 18, 2018 of any discrepancies they may find in the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List. No changes will be accepted after July 18, 2018. The Selectors will confirm that the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List as posted on the USEF website is true and correct and accurately represents the scores attained by the Pas de Deux Partnerships by no later than July 21, 2018. July 21, 2018 will be referred to as the **Date of Ranking Selection**. Pas de Deux Partnerships will be ranked from the highest to lowest based upon the sum of the highest scores from one (1) of the 2018 Selection Trials, the highest score from a CVI 3* or CVIO during the qualifying period, plus next highest score from either a Selection Trial or a CVI 3* or CVIO during the Selection Period on the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List on the Date of Ranking Selection as described above.

In the case of a tie on the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List, the Pas de Deux partnership with the highest single overall score from a single competition, either a 2018 Selection Trial or a CVI 3* or CVIO as it currently appears on the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List, will be ranked higher. If a tie still remains, the Pas de Deux partnership with the second highest overall score from a single competition, as it currently appears on the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List, will be ranked higher. This method will be used until a tie no longer exists.

Any change to any one (1) member of a Pas de Deux partnership represents an entirely independent partnership and must be ranked separately on the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List as of July 21, 2018.

3. **FEI Nominated Entry** – After July 16, 2018 but no later than seven (7) days prior to the closing date for the FEI Nominated Entry, August 13, 2018, and based upon the procedures set forth herein, the Selectors, in consultation with the Chef d'Equipe will recommend a ranked list of at least two (2) Pas de Deux Partnerships up to the maximum number able to be nominated under FEI Rules for the Event for the "FEI Nominated Entry" to the USEF Vaulting Sport Committee, and subject to the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors.

The FEI Nominated Entry will be named as follows in accordance with FEI Vaulting Rules [9th Edition, effective 1st January 2012, Effective 1 January 2018].

Pas de Deux partnerships will be named to the FEI Nominated Entry according to their ranking on the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List on the Date of Ranking Selection as described in Section I.C.1. and may be subject to the discretionary option below.

4. **Discretionary Selection to the Nominated Entry List:** The Selectors have the option to name one Pas de Deux partnership on the FEI Nominated Entry List to a position in the ranking of the Selectors choice in order to secure our nation's best chances for success. The Selectors will consult with the Chef d'Equipe. The Pas de Deux partnership choice must have at least one (1) eligible score within the selection period. Either that one score, or an average of two or three of their selection scores, must be the equivalent or higher than the average of the fifth ranked vaulters on the 2018 VAULTING WORLD EQUESTRIAN GAMES Pas de Deux Ranking List on the Date of Ranking Selection (July 21, 2018).
 - a. The Selectors, in evaluating partnerships for discretionary selection purposes, shall base their evaluations on the following factors:
 1. Previous international experience of the Pas de Deux partnership, including the demonstrated ability to succeed in FEI competitions within the past four years.
 2. Previous international experience of the vaulters as Individual and/or Squad vaulters and demonstrated ability to succeed in FEI competitions within the past four years.
 3. Previous international experience and/or success of the horse.
 4. Previous international experience and/or success of the vaulter/horse partnership.
 5. Prospect of the vaulters to win a Pas de Deux medal at the Event.

Selectors must reach their decision unanimously in order for a recommendation to use a discretionary option to be forwarded to the Vaulting Sport Committee, with final approval by the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors.

Remaining Positions – If a discretionary option is utilized, then all Pas de Deux

partnerships following the position filled by the discretionary option will move down one place in the ranking, up to the maximum number able to be nominated under FEI rules.

- b. Selection of Substitutes for the FEI Nominated Entry:** The remaining ranked Pas de Deux partnerships, up to the maximum number permitted under FEI rules for the Event, will be named as “substitute” partnerships for the FEI Nominated Entry for the Event in order of their ranking.

Once the FEI Nominated Entry for the Event has been announced but prior to the deadline for the submission of the FEI Nominated Entry, August 13, 2018, Pas de Deux Partnerships named to the FEI Nominated Entry may be substituted with a substitute partnership for medical reasons, for breach of the USEF Code of Conduct (Attachment B), failure to abide by the USEF Safe Sport Policy (Attachment E), or other exceptional circumstances having a direct bearing upon obtaining the best qualified partnership for the Event, in consultation with the Chef d’Equipe and recommendation of the Selectors, USEF Vaulting Sport Committee, and subject to the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors. Any substitutions for medical reasons must also be documented by a physician(s) approved by the USEF International Disciplines Council. (see Section IV.B.1. for further details regarding substitute of Pas de Deux partnerships.

- 1. Declaration of Horse(s):** After July 16, 2018 but no later than seven (7) days prior to the closing date of the FEI Nominated Entry, August 13, 2018, all Pas de Deux partnerships who are named on the FEI Nominated Entry must supply the USEF with:
- Name of the horse(s) on which they intend to compete.
 - FEI passport number of the horse(s).
 - Name of the horse’s owner(s).

- 2. Declaration of Lunger:** After July 16, 2018 but no later than seven (7) days prior to the closing date of the FEI Nominated Entry, August 13, 2018, all Pas de Deux partnerships who are named on the FEI Nominated Entry must supply the USEF with the name of the lunger(s) with whom they intend to compete. All lungers listed on the Pas de Deux application must comply with the following requirements:
- The lunger(s) must be registered with the FEI.
 - The lunger(s) must comply with FEI Rules for the Event
 - All lunger(s) named to the FEI Nominated Entry, must certify, by signing the online 2018 World Equestrian Games Vaulting Application, Lunger and Horse Owner Signature Page (Attachment F), that they have received and read the Vaulter Selection Procedures for the Event, the USEF Code of Conduct (Attachment B), the USEF Release, Assumption of Risk, Waiver and Indemnification (Attachment D), and USEF Safe Sport Policy (Attachment E) and that they understand those documents, and that they agree to be bound by them.

Note: Pas de Deux partnerships may use lungers at the Event not listed on their Application or included on the U.S. Nominated Entry if the lunger meets all FEI requirements to participate in the Event provided they are declared in accordance with FEI rules for the Event.

3. **TBD: FEI Definite Entry:** After the FEI Nominated Entry, TBD but no later than seven (7) days prior to the closing date for the Definite Entries, TBD for the Event, the USEF will nominate up to the maximum number of Pas de Deux Partnerships allowed by the FEI for the Event. The USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors, acting upon the Selectors' certification that the Selection Procedures have been followed and their recommendations to the USEF Vaulting Sport Committee, will recommend up to the maximum number of Pas de Deux Partnerships permitted according to the FEI rules, (two (2) Pas de Deux Partnerships) based upon the procedures and ranking as set forth in Section I.C.1. The vaulters will be the same as those originally approved at the time of the FEI Nominated Entry unless a Substitution is made in accordance with the criteria outlined in Section I.C.1.

The USEF Board of Directors, or an Ad Hoc Selection Group approved by the USEF Board of Directors, acting upon the Selectors' certification that the Selection Procedures have been followed and their recommendation to the USEF Vaulting Sport Committee, will also nominate the remaining Pas de Deux Partnerships on the FEI Nominated Entry as substitutes in order of their ranking on the FEI Nominated Entry.

4. **After the acceptance of the Definite Entry and before the Declaration of Starters:** After the Definite Entry, has been submitted to the FEI, Pas de Deux partnerships may only be substituted with a substitute Pas de Deux partnership in accordance with the FEI Regulations Rules for Vaulting, [9th Edition, effective 1st January 2018], and/or according to the following criteria. Pas de Deux partnerships may only be replaced with substitute Pas de Deux partnerships for veterinary reasons, if a Pas de Deux cannot vault on another horse, for medical reasons, or for breach of the USEF Code of Conduct, or for failure to abide by the USEF Safe Sport Policy, based upon the recommendation of the Chef d'Equipe and with the concurring approval of at least three (3) of the five (5) Selectors, one of whom shall be the Active Athlete Selector and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors. Any substitutes for veterinary reasons must be made in consultation with the Team Veterinarian. Any substitutes for medical reasons must also be documented by a physician(s) approved by the USEF International Disciplines Council.
5. **Declaration of Starters:** The declaration of starters will be done in accordance with the FEI Vaulting Rules, [9th Edition, effective 1st January 2018], Article 706.

D. Provided below are the names of all committees/groups who oversee the selection process, including the name(s) and role(s) of their members. The USEF Vaulting Sport Committee will oversee the selection process, which process shall be reviewed and recommended by the USEF International Discipline Council, and approved by the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. (See Attachment H for list of USEF Committees, their roles, and list of members).

E. Other Considerations:

1. **Equine Drug Testing:** All applicant horses are subject to drug testing both in competition and out of competition.

In-Competition. All horses entered to compete in any FEI or USEF competition are subject to drug testing at any time from when the competition begins until the competition ends or beginning when the horse arrives for the competition until the competition ends, whichever beginning occurs first. Blood and/or urine samples may be collected and tested for substances prohibited or forbidden under the subject competition rules. National competitions may invoke GR 409 whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, is detected in the sample collected in-competition, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or the Discipline Director for the dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by a panel (“Selection Hearing Panel”) comprised at least one member of the applicable discipline Sport Committee along with at least two members of the Hearing Committee, one of which must be an Eligible Athlete. The Chairman of the USEF Veterinarian Committee, or his designee, may serve Ex Officio and a member of the Veterinarian Panel selected for the event may serve Ex Officio.

Out-of-Competition. Blood and/or urine samples may be collected out-of-competition at any time throughout the selection period, which is defined as commencing on April 1, 2018, following notification to the applicant at least 24 hours prior to collection of samples. Samples collected from horses out-of-competition will be tested for the presence of substances prohibited by the FEI, including metabolites and markers. Failure to make the horse available for collection of samples may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, in the sample, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or Discipline Director for dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process unless the Veterinary Panel appointed for the selection of the Event certifies that the substance detected has been approved or is legitimate and appropriate under the circumstances. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

This provision does not abrogate the enforcement of applicable equine anti-doping rules at Federation licensed competitions, including competitions where GR 409 is invoked whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Also see the section on Veterinarian Treatment, a violation of which may result in elimination under this provision. Before elimination occurs in either instance, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

USEF GR409.2 Equine Drugs and Medications, Prohibited Substance Provisions

No horse and/or pony competing in a Breed or Discipline designated as (or part of) a No Prohibited Substance Group is to be shown in any class at a competition licensed by the Federation if it has been administered in any manner or otherwise contained in its tissues, body fluids or excreta a prohibited substance as defined in the FEI Equine Anti-

Doping and Controlled Medication Regulations, which can be found at www.fei.org.

2. **Soundness** - Horses that are candidates for selection for the Event may be examined at any time during the selection process (which is defined as commencing on the application deadline, April 1, 2018) for soundness by the Team Veterinarian with the recommendation of the USEF Vaulting Sport Committee, and approval of the USEF Board of Directors. Horses found to be unsound by the Team Veterinarian may result in the elimination of the athlete/horse combination from the selection process, but only with the recommendation of the USEF Vaulting Sport Committee and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.
3. **Team Veterinarian Request** – Horse owners and/or Lungers, **at their own expense**, shall make available, upon the request of the Team Veterinarian, 24 months' worth of complete veterinary records of horses being considered for selection. In addition, applicants, **at their own expense**, shall be responsible for supplying any follow-up diagnostic information requested by the Team Veterinarian for horses being considered for selection. Horse Owners and/or Lungers, **at their own expense**, shall complete any treatment prescribed by the Team Veterinarian, after consultation with the horse's treating veterinarian if such a consultation is requested by the athlete, for horses being considered for selection. Failure to comply with any reasonable request of the Team Veterinarian may result in the removal of the horse and/or athlete from the selection process upon the recommendation of the Team Veterinarian and the USEF Vaulting Sport Committee, and approval by the USEF Board of Directors or an Ad Hoc Selection group approved by the Board of Directors.
4. **Veterinary Treatment** – From the time the Short List/FEI Nominated Entry/Pas de Deux partnership is announced, TBD, and until to the departure of the horses for the World Equestrian Games venue for the purpose of competing in the Event, athletes on the Short List/FEI Nominated Entry/Squad will be required to obtain written permission from the Team Veterinarian prior to Short Listed horses being treated by any person other than the Team Veterinarian. This permission must be obtained by using an official USEF Vaulting Veterinary Treatment Request Form (Attachment I).

If applicants are using foreign owned borrowed horses, it is highly recommended that a Certificate of Health stating the horse is fit to compete under Equine Athlete Drug and Medication Rules (EADMR) be submitted to the Team Veterinarian as soon as practical.

Failure to adhere to this policy and/or the directives of the Team Veterinarian as outlined on the USEF Vaulting Veterinary Treatment Request Form may result in the removal of the athlete/horse combination from the selection process upon the recommendation of the Team Veterinarian and the USEF Vaulting Sport Committee, and approval by the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

5. **Medical Request** - In the event of illness or injury, applicants may be required to submit to a medical examination by a physician(s) approved by the USEF International Disciplines Council any time during the selection process for the purposes of determining the applicant's ability to compete at the Event. Failure to submit to such examination may result in the removal of the applicant from the selection process upon the recommendation of the USEF approved physician(s) and with the approval of the USEF Vaulting Sport Committee and the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. Following the examination, should the USEF approved physician(s) find the applicant to be unfit to compete, the applicant will be removed from the selection process with the recommendation of the USEF Vaulting Sport Committee, and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

II. DISCRETIONARY SELECTION (if applicable)

A. Rationale for utilizing discretionary selection: The option of discretionary selection is used to field the best Team possible in the Event.

B. Discretionary criteria and how it will be used:

- I.C.2.a – Selection for the Short List – Discretionary Selection
- I.C.2.b. – Selection of Substitutes
- I.C.5 – FEI Definite Entry

2. Complete list of the members of the committee(s), their titles and their NGB role that qualifies them to serve in this capacity: See Attachment H for list of USEF committees, their roles, and list of members.

Selectors: Five (5) individuals (the "Selectors") will be appointed by the USEF International Disciplines Council upon the recommendation of the USEF Vaulting Sport Committee. The Selectors are subject to the USEF Safe Sport Policy (Attachment E), USEF Code of Conduct and Code of Ethics and Conflict of Interest Policies of the USEF (Attachment G). The Selectors are members of the Vaulting community who are knowledgeable and experienced in Vaulting at the international level, and are senior active members in good standing of USEF, including a minimum of one Vaulting Eligible Athlete Representative as defined by the USOC (see Definitions on page 14) but who is not an applicant for the 2018 Vaulting World Equestrian Games (the "Eligible Athlete Representative Selector"). In making their decisions, the Selectors will consult with the Chef d'Equipe, and the Team Veterinarian recommended by the USEF Vaulting Sport Committee and approved by the USEF International Disciplines Council.

A minimum of one (1) Substitute Selector will also be named. A Substitute Selector will take the place of a Selector who has a conflict of interest or a substantial appearance of a conflict of interest. There will be a minimum of 20% Eligible Athlete Representation on the panel of the Selectors.

III. REMOVAL OF PAS DE DEUX PARTNERSHIPS

A. A Pas de Deux may be removed from the Short List/ FEI nominated Entries for any of the following reasons, as determined by the USEF and in accordance with the procedures:

- Voluntary withdrawal. An athlete must submit a written letter to the USEF CEO.
- Injury or illness as certified by a USEF approved physician (or medical staff). If an athlete refuses verification of their illness or injury by a USEF approved physician (or medical staff), their injury will be assumed to be disabling and they may be removed.

- Any other reason expressly written herein these Procedures.

In these procedures the removal of an athlete is closely related to the process by which they will be substituted. Therefore, the reasons for which an athlete may be removed are thoroughly addressed in

Section III. SUBSTITUTION OF ATHLETE/HORSE COMBINATIONS.

A Pas de Deux removed from the Short List/Nominating Entry pursuant to this provision has the right to a hearing per USEF's Bylaws, Article 703 and USEF General Rules, Chapter 6, GR 605 or USOC Bylaws, Section 9.
