GR1101 Horse Identification Number and Horse Identification Form

1. All horses competing in Federation licensed competitions must be properly identified. For all such competitions, entries for each horse must include a Federation-issued Unique Horse Identification Number. Additionally, a Federation Recognized Discipline Affiliate may require horses to be registered with their organization, and if so, the entry must also include that registration number.
2. The Federation will issue only one Unique Horse ID Number per horse. This Unique Horse ID number must subsequently remain with the horse in perpetuity, and shall not be changed for any reason, including upgrade from Unique Horse ID to a Recording, change of ownership, change of name, or death.
3. Prior to submitting an application for a new Unique Horse ID number, it is the owner's responsibility to verify the current ID status of a horse through a Horse Recording/ID search, (the

assistance of Federation staff may be requested). Anyone who knowingly seeks to obtain an additional Unique Horse ID Number for a horse which has previously been issued one is subject to disciplinary action.

4. The Federation must be notified of any change of ownership and/or competition name of the horse.

5. Owners are requested to notify the Federation of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.

6. A Unique Horse ID number can be upgraded to Federation recording. The Unique Horse ID Number will remain the same.

7. Applications for Unique Horse ID Numbers and/or recordings can be completed online at www.usef.org using the Horse application form which can also be downloaded. The ID application form is also available on request from the Federation office, and from competition management.

8. Competition management is responsible for notifying exhibitors in their prize lists of the Unique Horse ID Number requirement, and availability of Horse ID Number application forms **on the Federation website**.

9. There will be no charge for Unique Horse ID Numbers that are issued via the internet to members of USEF or its affiliates for: 1) horses that are life recorded, registered or otherwise identified or listed with a USEF discipline affiliate, or 2) horses registered with a USEF breed affiliate. Horses not meeting the above criteria must have a completed USEF Horse application indicating on the application the request for a Horse ID before a number will be issued. This form can be completed on the internet, free of charge, at www.usef.org.

GR1102 Horse Recordings

1. Using each horse's Unique Horse ID number the Federation maintains the only official record of winnings for Federation awards, Federation ranking lists, Federation qualifying classes and Federation championships of horses at all Regular Competitions. To keep these records consistent, a horse should be recorded with the Federation in the same name of horse and owner under which it is exhibited at competitions. The Federation's horse recording records are not a title registry and the Federation does not decide, otherwise resolve, or become involved in ownership disputes.

2. Horses must be recorded in order to be eligible for National, Regional, or Zone Horse of the Year Awards (see GR1110), and to enter a USEF Show Jumping Ranking List class. (Exception: Horses entered in a USEF Show Jumping Ranking List class that are owned by a member of another National Federation and, have proof, in English, of current membership in good standing of their own National Federation, GR901.9, item 9.)

3. Horses must be recorded in order to be eligible to compete in USEF/USDF qualifying classes for dressage championships and will not be credited with qualifying for the Regional Finals for Dressage Championships until they are recorded in the name of the current owner or lessee of record and unless they are entered in qualifying classes under their official recorded names and ownership. The responsibility for such recording rests entirely with the exhibitor.

4. Horses competing in divisions restricted to a particular breed may be recorded with the Federation under any name but if registered in a Breed Registry, the registered name must also be given.

a. To maintain breeding identification, exhibitors may not shorten horses' names by dropping registered prefixes.

5. Horse recording applications are available from the Federation office or online at www.usef.org. The recording fee is discounted for the life of a horse if applied for from birth to December 31st of year foaled. A recording may also be activated on an annual basis, using each horse's Unique Horse ID number. Exception: Horses must be recorded for life to be eligible to receive FEI or National Passports. To qualify for the age discount, registration papers and/or other proof of age must be provided. The fees can be found on the horse recording application at www.usef.org.

6. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal's breed registration papers or a signed statement from a veterinarian certifying the animal's age.

7. A horse's Federation Recording may be made retroactive to cover bad points earned at Federation Licensed Competitions (Exception: Dressage) so long as a complete horse recording is received by the Federation within ten days of the Federation sending notification of bad points earned to the owner.

GR1103 FEI Horse Passports

1. Horses must be life recorded with the Federation. To be listed in the passport, the owner(s) of the horse must be active member(s) of the Federation. The passport application and applicable fee must be submitted by the recorded owner (agent's signature is not acceptable) for a specific horse.

2. FEI passport applications can be found on the Federation website ~~or obtained from the Federation office~~. The horse's name on the passport must match its life recording with the Federation exactly.

4. Group-rate passports are available for Pairs and Teams of driving ponies as follows:

a. For Pairs of two, three, or four ponies and Teams of four, five, or six ponies (all ponies with the same owner), the first FEI Pony Passport is issued for the current individual rate and each additional FEI Pony Passport (up to six) is issued for 50% of the cost of the initial passport. GR1105 Transfer of Ownership

1. Ownership of a Federation recorded horse may be transferred during the year without affecting the animal's points provided proper authorization and fee are received by the Federation ~~office~~.

Authorization for transfer of ownership of a horse holding a recording with the Federation may be submitted in the form of a signed Federation recording certificate or a proper bill of sale. Authorization

must be signed by the previously recorded owner(s). If these documents are unavailable, a Federation transfer affidavit may be obtained from the Federation office which must be completed, signed, notarized and returned to the Federation office with proof of ownership. A horse will not be eligible to receive points under its new ownership until the conditions of GR1110 and GR1111 are met. The fees can be found on the horse transfer form at www.usef.org.

2. Authorization for transfer of ownership of a horse or pony that is or has been in possession of a Federation measurement card may be submitted in the form of a bill of sale signed by the previous owner or a copy of breed registration papers issued to the new owner.
