SUBCHAPTER 10-H REGULATIONS GOVERNING OFFICIALS

GR1031 General

1. Failure of an official to attend a competition with which the official has a signed agreement or failure to perform their duties in accordance with the rules, or to officiate in the classes to which they have been assigned shall constitute cause for disciplinary action, except in cases of extreme emergency.
2. Any official found guilty of cruelty to a horse or to have killed, abandoned, mistreated, neglected, or otherwise abused a horse, by an administrative agency, body, humane society, or court of law, whether such court or tribunal is civil, criminal, or administrative may have their license(s) revoked.
3. No official is to be housed in a private home unless the official has agreed before the competition.
4. In the event that an official officiates at a competition where they are ineligible, the official may be penalized as described in GR703.

GR1032 Judges

1. Good judging depends upon a correct observance of the fine points and the selection of best horses for the purpose described by conditions of the class. A judge serves three interests: their own conscience, exhibitors, and spectators. A judge should make it clear that the best horses win.

2. When judges are required to judge independently on a multiple judge panel, each judge must meet the requirements as outlined in Rules GR1004 through GR1010.
3. Except in the discharge of their official duty, the use of cellular phones or other similar communication devices, including computers, by judges while in the ring (including center ring), judges' box, judges' stand, or on any part of a course during a competition is prohibited.
4. A judge is obligated to adjudicate each division, section, and class in conformity with the rules and specifications of that division, section and class as they appear in the Federation Rulebook. A judge is expected to be proficient in their division and to possess a thorough knowledge of the rules of the Federation.
5. The attention of judges is directed to the difference in requirements covering Maiden, Novice, Limit, Junior, Amateur, and Ladies' classes versus Open classes. These differences must be observed in adjudicating classes.
6. The decisions of each judge constitute solely their individual preference and not as opinions of or decisions by the Federation. For decisions of a judge in regard to soundness, see GR1204.
7. Consulting with a Veterinarian
 - a. Only the judge may call a veterinarian during a class but is encouraged to do so if their opinion necessitates the disqualification of an entry. The judge shall give the numbers of the horses in question and the veterinarian shall render their finding. If the veterinarian is not immediately available or not called upon, the judge's decision as to the serviceable soundness of a horse shall be accepted for the purpose of disqualifying a horse from showing in that class and shall be final. (Exception: The decision of the judge as to the serviceable soundness of a horse in Hunter classes is final, however the competition veterinarian may be consulted.)
 - b. In regard to possible whip marks, or other matters other than soundness that are pertinent to the welfare of the horse, the judge may consult with a veterinarian during a class. The final decision rests with the judge.
 - c. None of the above applies to Dressage, Driving, Eventing, or Western Dressage. See DR208, EV118.8, and WD126.9.
8. When a judge is used as a referee and is called upon to break a tie, the other judges must give the ringmaster only the numbers of the two horses tied. The ringmaster will then take these to the referee who will indicate their preference by circling the number of their choice. The ringmaster will then return this written decision to the other judges who will proceed with the remaining placements, as the breakage of a tie for one placement by the referee does not automatically place the losing contender of the tie in the next position. This procedure is to be followed for each placement in turn, as ties occur. The referee shall turn in a judge's card only when called upon to break a tie, in which case only their tie breaking decision shall be indicated on the card.
9. All placements stated in the prize list/omnibus shall be awarded, beginning with first place and proceeding in order through all placements, unless there is an insufficient number of entries or an entry is eliminated, excused, or disqualified.
10. It shall be the prerogative of the Licensee to designate a particular system of judging and to post a complete order of placement for public inspection. Judges accepting an invitation to officiate must recognize the Licensee's prerogative. Unless the Licensee designates a particular system of judging when an invitation is issued, a judge is not required to use a particular system of judging.
11. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, driver, handler, other exhibitors, or their entries.
12. A judge must order from the ring any rider, driver or handler who exhibits inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any exhibitor, their entries, or the safety of class officials.
13. When over 40 horses or riders are entered in a performance class in which horses compete together, a judge must divide the class and work it in groups of less than 40. Unless individual tests are required in the class routine, a judge shall bring the top contestants from each group back into the ring for final adjudication. (Exception: See AR107.8d and DR126.2a(4)).
14. In classes which have a maximum weight and/or measurement for shoes, the judge must immediately weigh and/or measure any shoe that is cast. In such classes the judge may not excuse an entry from the ring until satisfied that the entry has not cast a shoe.
15. In the Western and Western Seat Equitation division, when a single judge system is used, judge's cards shall be considered final and shall not be changed after the completion of the presentation of awards for that class.
16. Judges' cards and/or official score sheets are to be signed by the judge and retained (with the exception of score sheets returned to the exhibitor) as part of the competition's official records for a period of no less than

three years. Electronic signatures through a PDA or similar device used to record scores will fulfill the signature requirement.

17. In the Hunter and Hunter/Jumping Seat Equitation divisions classes may not be recommenced once the judge has signed the card.
18. Judges must commence and complete classes in accordance with GR109.

GR1033 Stewards and Technical Delegates

 - a. The Report must include any offenses or rule violations ensuring the inclusion of relevant information, including, if applicable, entry number, entry blanks, USEF member ID number, and USEF horse ID number, etc.

For the second offense and any offense thereafter in the same competition year, said official will be fined \$250. A third offense and any offense thereafter will result in an automatic suspension from office as Steward or Technical Delegate for 90 days, in addition to the fines.
 - c. Failure to pay any fine within 30 days will result in a violation of rules and the Steward/Technical Delegate will be subject to an additional late fee.
 - d. If the Steward/Technical Delegate disputes that the report was not timely filed, they may appeal in writing to the Federation within 30 days of receipt of the Federation's notice of the fine. The appeal must be accompanied by a check payable to the Federation, which will be refunded if the appeal is upheld. The CEO or their designee and three members of the Licensed Officials Committee will consider the appeal and may waive a part or all of the fine upon finding of good cause of why the report was not timely filed and/or a finding that extreme hardship results from the automatic penalty. Note: only the fine may be waived. The rule violation will remain on record for the official.
