RE: Tentative Selection Trials for the 2026 FEI World Championships

Dear Potential Eventing Applicants for the 2026 FEI World Championships,

Please be advised that the following events may be named USEF Selection Trials for the 2026 FEI World Championships. The 2026 FEI World Championships will take place in Aachen, Germany. The Eventing portion of the Championships will run August 13-16, 2026.

The final list of Selection Trials will be published as part of the approved Eventing Selection Procedures for the 2026 FEI World Championships. Any rider wishing to use a European CCI4*-L as a Selection Trial must request in writing to Gemma Stobbs (gstobbs@usef.org) no less than 30 days before the start of the competition.

Additional events may be added. Notification of any additional events will be communicated to potential applicants at least 30 days before the competition starts.
